## Executive Summary

### AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

#### 1. Introduction

The 2026-2027 Annual Action Plan is the second of five annual plans implementing the 2025-2029 Consolidated Plan Strategic Plan goals for the investment of annual allocations of Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD). The Annual Action Plan (AAP) identifies available resources, annual goals, projects, and activities for the period beginning July 1, 2026, and ending June 30, 2027.

The City receives CDBG funds from HUD on a formula basis each year, and in turn, the City typically awards grants to nonprofits, for-profits and/or public organizations for programs and projects in furtherance of this Plan. The CDBG program provides a range of eligible activities for the benefit of low- and moderate-income persons.

#### **Community Development Block Grant (CDBG)**

The Housing and Community Development Act of 1974 created the CDBG Program with three (3) primary objectives against which HUD evaluates the Consolidated Plan and the City's performance under the Plan. Those primary objectives are decent housing, suitable living environments, and expanded economic opportunities for low- and moderate-income persons. The CDBG regulations require that each activity meet one of the following national objectives:

- Benefit low- and moderate-income persons;
- Aid in the prevention or elimination of slums and blight; or
- Meet other community development needs having a particular urgency (usually the result of a natural disaster).

For the 2026-2027 program year, the City anticipates receiving an annual allocation of \$946,179 and will not be carrying over or repurposing any prior year funds. Therefore, the total CDBG annual budget will be \$946,179.

Due to slight adjustments that can occur with CDBG allocations prior to HUD's approval of the Action Plan, a request of the City Council is being made to provide staff and the public with a methodology for which activity budgets will be adjusted if allocations are adjusted by HUD. It is

recommended that City Council adopt the following language for adjusting activity budgets for the CDBG program:

- Should the CDBG allocation be higher than \$946,179:
  - Balance of additional funds will be allocated to the 2026-2027 Street Improvement Project.
  - Funding levels for all outstanding activities will remain the same as proposed in the 2026-2027 AAP.
  
- Should the CDBG allocation be lower than \$946,179:
  - Balance of reduced funds will be deducted from the 2026-2027 Street Improvement Project.
  - Funding levels for all outstanding activities will remain the same as proposed in the 2026-2027 AAP.

The CDBG program activities to be implemented from July 1, 2026, to June 30, 2027, include:

### **2026-2027 CDBG Public Service Activities**

Public Service activities will be funded through City leveraged funds. Therefore, all funds originally budgeted for Public Service activities will be programmed to Non-Administration/Non-Public Service activities (also referred to as Capital Activities).

### **2026-2027 CDBG Capital Activities**

- City – Street Improvement Project  
\$822,179

### **2026-2027 CDBG Program Administration Activities**

- City - Program Administration  
\$100,000
- Fair Housing Foundation - Fair Housing Services  
\$24,000

**TOTAL ALLOCATION CDBG FY 2026-2027:**

**\$946,179**

## **2. Summarize the objectives and outcomes identified in the Plan**

HUD's Community Planning and Development (CPD) Outcome Performance Measurement Framework classifies objectives in three (3) categories: decent housing, a suitable living

environment, and economic opportunity. Based on the Needs Assessment and Market Analysis, the Strategic Plan identifies two (2) high priority needs to be addressed through the implementation of activities aligned with the three (3) Strategic Plan goals.

The two (2) high priority needs include:

- Provide public facility and infrastructure improvements to create a suitable living environment
- Ensure equal access to housing opportunities

The following three (3) goals are identified in the Strategic Plan:

- Public Facility and Infrastructure Improvements
- Fair Housing Services
- Administration and Planning
- 

	<b>Goal Name</b>	<b>Category</b>	<b>Needs Addressed</b>	<b>5-Year Outcome Indicator</b>
1.	Public Facility and Infrastructure Improvements	Non-Housing Community Development	Provide public facility and infrastructure improvements to create suitable living environment	15,000 Persons Assisted
2.	Fair Housing Services	Affordable Housing	Ensure equal access to housing opportunities	350 Persons Assisted
4	Administration and Planning	Administration	All	Other - 5

### **3. Evaluation of past performance**

The investment of HUD resources in the City of Hesperia continues to have a great impact for positive change in the community. Together with other federal, state and local investments, HUD resources allowed the City and its partners to accomplish the following goals during the prior year five (5) year Consolidated Plan cycle, 2020-2021, 2021-2022, 2022-2023, 2023-2024 and 2024-2025 program years (current year 2025-2026 CDBG accomplishments are not available as of the preparation of this document):

From July 1, 2024 through June 30, 2025, the City and its partners were able to utilize CDBG funds to accomplish the following:

- Provide fair housing and landlord tenant mediation services to 290 unduplicated City residents.
- Complete the 2021-2022 Street Improvement Project, assisting 8,000 City residents.
- Commence design and engineering on Oakwood Avenue as part of the 23-24 Street Improvement Project.
- Commence design and engineering of the 24-25 Street Improvement Project.

During July 1, 2023 through June 30, 2024, the City and its partners were able to utilize CDBG funds to accomplish the following:

- Provide fair housing and landlord tenant mediation services to 386 unduplicated residents.
- Award a construction contract for the City's 2021-2022 Street Improvement Project that will benefit 6,000 unduplicated residents.
- Commit 22-23 Street Improvement Project funds to the 21-22 Street Improvement Project benefitting an additional 2,000 unduplicated residents.

During July 1, 2022 through June 30, 2023, the City and its partners were able to utilize CDBG funds to accomplish the following:

- Provide fair housing and landlord tenant mediation services to 409 unduplicated residents.
- Award contracts for design and engineering design services for the City's 2021-2022 Street Improvement Project which is projected to assist approximately 6,000 unduplicated City residents.
- Commence engineering and design services for the City's 2021-2022 Street Improvement Project.
- Finalize construction of the City's Peach Avenue Drainage Improvement Project benefitting 11,140 unduplicated residents.

During July 1, 2021 through June 30, 2022, the City and its partners were able to utilize CDBG funds to accomplish the following:

- Complete the reconstruction of the streets encompassed in the City's 2019-2020 Street Improvement Project which benefitted 4,000 unduplicated residents.
- Award and commence the reconstruction of streets encompassed in the City's 2020-2021 Street Improvement Project which will benefit approximately 3,485 unduplicated residents.
- Provide fair housing and landlord tenant mediation services to 404 unduplicated residents.
- Create/retain three (3) full-time equivalent jobs under the City's Emergency Business

#### Assistance Program (EBAP)

- Complete the reconstruction of streets encompassed in the City's 2020-2021 Street Improvement Project that benefited 3,485 residents.
- Commence procurement efforts for design and engineering services for the City's 2021-2022 Street Improvement Project which is projected to assist approximately 1,000 unduplicated City residents.
- Award and commence construction of the City's Peach Avenue Drainage Improvement Project which will benefit 11,140 residents (project anticipated to be completed during the 2022-2023 program year).

During July 1, 2020, through June 30, 2021, the City and its partners were able to utilize CDBG funds to accomplish the following:

- Complete the reconstruction of the streets encompassed in the City's 2019-2020 Street Improvement Project which benefitted 4,000 unduplicated residents.
- Award and commence the reconstruction of streets encompassed in the City's 2020-2021 Street Improvement Project which will benefit approximately 3,485 unduplicated residents.
- Continue engineering and design efforts on the Peach Avenue Drainage Improvement Project which will benefit approximately 11,140 unduplicated residents.
- Provide fair housing and landlord tenant mediation services to 540 unduplicated residents.
- Implemented the City's Emergency Housing and Utility Assistance Program (EHUAP) which provided rental, mortgage and utility assistance to a total of 50 unduplicated residents (persons).
- Implemented the City's Microenterprise Assistance Program (MAP) which reviewed and approved one (1) eligible business.
- Implemented the City's Emergency Business Assistance Program (EBAP) which reviewed and approved three (3) eligible businesses.

#### **4. Summary of Citizen Participation Process and consultation process**

Subsequent to the enactment of the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009, HUD revised the Consolidated Plan regulations at 24 CFR Part 91 to emphasize the importance of citizen participation and consultation in the development of the Consolidated Plan. HUD strengthened the consultation process with requirements for consultation with the CoC, Public Housing Authorities (PHA), business leaders, civic leaders, and public or private agencies that address housing, health, social service, victim services, employment, or education needs of low-income individuals and families, homeless individuals and families, youth and/or other persons with special needs. Together with the analytic capabilities of the eCon Plan Suite, these requirements created the conditions necessary to

implement a collaborative, data-driven and place-based planning process that includes a robust level of citizen participation and consultation.

The City adopted a new Citizen Participation Plan on September 17, 2019 (subsequently amended on November 17, 2020) that reflects regulatory changes and process improvements. In accordance with the City's adopted Citizen Participation Plan, the City facilitated citizen participation through resident and stakeholder surveys, internet outreach, community meetings, in person consultations and public hearings. Efforts were made to encourage participation by low- and moderate-income persons, particularly those living in slum and blighted areas and in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods. The City also made efforts to encourage the participation of minorities and non-English speaking persons, as well as persons with disabilities. Per the City's approved Limited English Proficiency (LEP) Plan, public notices soliciting citizen participation were published in both English and Spanish. The consultation process included representatives of the CoC, PHA, and other specified groups who completed surveys, provided local data and assisted the City to ensure practical coordination of strategies to maximize impact and to avoid duplication of effort.

## **5. Summary of public comments**

### **2026-2027 Annual Action Plan**

A public hearing to receive comments on the proposed projects/activities and the funding levels for inclusion in the 2026-2027 Annual Action Plan was held before the City Council on April 21, 2026. All comments received were incorporated into the 2026-2027 Annual Action Plan prior to the City's submission to HUD (see Appendix A).

### **2025 – 2029 Consolidated Plan**

Community meetings to discuss the housing and community development needs in the community were held on October 28, 2024 at 10:00 A.M. and 5:00 P.M. at the Hesperia Public Library at 9650 Seventh Avenue, Hesperia. No public comments were received.

A public hearing to receive comments on the draft 2025-2029 Consolidated Plan and the draft 2025-2026 Annual Action Plan was held before the City Council on April 15, 2025. All comments were received and incorporated into the City's 2025-2029 Consolidated Plan.

## **6. Summary of comments or views not accepted and the reasons for not accepting them**

All public comments received during the 30-day review period and public hearing held on April 21, 2026, were accepted and incorporated into the 2026-2027 Annual Action Plan.

## **7. Summary**

The 2026-2027 Annual Action Plan addresses all three (3) of the Strategic Plan Goals from the 2025-2029 Consolidated Plan by allocating a total of \$946,179 in current year CDBG funds to projects and activities to be implemented from July 1, 2026 to June 30, 2027.

## PR-05 Lead & Responsible Agencies – 91.200(b)

### 1. Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	City of Hesperia	Economic Development Division

Table 2 – Responsible Agencies

### Narrative

The City’s Economic Development Division is the lead agency responsible for the administration of the CDBG program. The City contracted with LDM Associates, Inc. to prepare the 2025-2029 Consolidated Plan and current 2026-2027 Annual Action Plan. Policy and funding approvals are decided by the City Council, which consists of the Mayor, who is elected by districts and four City Council Members from each of four council districts. Decisions regarding implementation of activities within the Consolidated Plan are based on staff recommendations and input from the residents.

In the development of the City’s Consolidated Plan, LDM Associates, Inc. developed and implemented a comprehensive citizen participation and consultation process and conducted a needs assessment and market analysis to identify levels of relative need regarding affordable housing, homelessness, special needs, and community development. This information was gathered through consultation with public officials and local agencies, public outreach and community meetings, review of demographic and economic data, and housing market analysis.

In the implementation of the 2026-2027 Annual Action Plan and each of the three (3) subsequent Annual Action Plans, the Economic Development Division shall be responsible for all grants planning, management, and monitoring duties necessary to comply with HUD regulations and City policy.

## **AP-10 Consultation – 91.100, 91.200(b), 91.215(I)**

### **1. Introduction**

As part of the preparation of the 2025-2029 Consolidated Plan the City reached out for consultation to agencies, groups, and organizations involved in the development of affordable housing, creation of job opportunities for low- and moderate-income residents, and/or provision of services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons. To facilitate this consultation, the City solicited feedback through the following methods:

- Community Needs Survey (web-based and paper-surveys)
- Community and stakeholder meetings
- Public hearings
- Receipt of written or oral comments

The input received from these consultations helped establish and inform the objectives and goals described in the Strategic Plan.

### **Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I)).**

The City recognizes the importance of careful coordination and alignment among various service providers to maximize the effectiveness of its CDBG allocations. As a result, during the development of the 2025-2029 Consolidated Plan, the City consulted with community organizations and City Departments. Outreach efforts included surveys, public noticing, and invitation to the community and stakeholder meetings. Outreach was made to over 100 organizations and agencies including:

- Nonprofit services providers,
- Affordable and market rate housing developers,
- Housing advocates,
- Public agencies (such as the school district and Public Housing Authority)
- Economic development and employment organizations
- Community and neighborhood groups, and Neighboring cities and communities.

The City will continue to foster and strengthen these relationships over the five-year planning period to ensure coordinated implementation of CDBG-funded projects.

**Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness**

The San Bernardino County Continuum of Care (CoC) includes a diverse network of public, private, nonprofit, faith-based, and for-profit entities. These groups collectively address the needs of individuals and families experiencing homelessness by leveraging federal, state, and local resources. The City of Hesperia actively participates in the CoC system and supports local services for individuals experiencing homelessness. The non-profit and faith-based communities are vital partners in these efforts, particularly in serving veterans, survivors of domestic violence, youth, and individuals with disabilities.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards and evaluate outcomes, and develop funding, policies and procedures for the administration of HMIS**

The City participates annually in the CoC’s Point-in-Time Count and subpopulation survey. During the preparation of this Plan, the City consulted with the San Bernardino County CoC to gather data on homelessness and assess the needs of the local unhoused population. This outreach included homeless service providers, who are active members of the CoC. The City aligns its priorities with the CoC to address the community’s needs effectively, especially in areas such as ESG fund allocation, HMIS administration, and performance evaluation.

Table 3 provides a listing of the entities consulted as part of this planning process.

**Identify any Agency Types not consulted and provide rationale for not consulting**

The City maintains a comprehensive list of agencies, organizations and other stakeholders and invited representatives from each entity to participate in the planning process at multiple points in the planning process. If an agency did not attend meetings or participate in surveys, it was done so by the agency’s choice.

If an agency or organization was not consulted and would like to be included in the City’s list of stakeholders, the agency or organization may contact the Economic Development Division at (760) 947-1202.

In preparation for the Consolidated Plan, the City followed the established processes of the Citizen Participation Plan to ensure broad community engagement. These activities were coordinated and implemented by the Economic Development Division. The City sought input from its residents and stakeholders by circulating surveys about community needs. The surveys were available online and in hardcopy format. The resident survey was available in English and Spanish; the Stakeholder survey was available in English. The City received a total of 207 responses from residents and 24 from stakeholders. The survey results and the survey forms are included in Appendix B of the 2025-2029 Consolidated Plan.

In accordance with the City's Citizen Participation Plan, residents and stakeholders were able to participate in the development of the 2025-2029 Consolidated Plan through public hearings, meetings, and the 30-day review and comment period. The City engaged residents and organizations through surveys and publicly noticed hearing and meetings held at the beginning of the Consolidated Planning process. These activities conducted in fall 2024, were intended to gather input on the City's housing and community development needs. The first public hearing was held on November 19, 2024 at 6:30 PM and the public meetings were held on October 28 at 10:00 AM and 5:00 PM at the Hesperia Public Library. The public hearing to adopt the Consolidated Plan and first-year Annual Action Plan was held April 15, 2025, at 6:30 PM, at City Hall.

In accordance with the City's Citizen Participation Plan, all public notices for public hearings and the 30-day comment period were published in a medium of general circulation in the City. Additionally, the City used social media platforms such as Facebook and Instagram to advertise the opportunities to participate. At each step in the process, the City was careful to ensure that low- and moderate-income residents, members of minority groups, agencies involved in the provision of services to these populations, and others who are directly impacted by the programs and activities supported by the Consolidated Plan programs had the opportunity to be actively involved.

## Expected Resources

### AP-15 Expected Resources – 91.220(c)(1,2)

Annual allocations are subject to federal appropriations and changes in demographic data used in HUD’s formulas for the programs. The funding amounts in this Action Plan are approximated because to date, Congress has not passed HUD’s FY26 appropriation, and the date this appropriation will be made is unknown. When the City is informed of its annual allocation the Street Improvement Project will be increased or decreased from the estimated funding level to match actual allocation amounts.

During the five-year period of the Consolidated Plan from July 1, 2025, to June 30, 2030, the City of Hesperia anticipates investing an estimated \$4.7 million in CDBG funds to support the goals of the Strategic Plan. For the 2026-2027 program year the City anticipates receiving an allocation of \$946,179 in CDBG.

Program	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of Con Plan	Narrative Description
		Annual Allocation:	Program Income:	Prior Year Resources:	Total:		
CDBG	Acquisition Admin. and Planning Economic Development Housing Public Improvements Public Services	\$946,179	\$0	\$0	\$946,179	\$3,784,716	Based on 2025 FY allocation from HUD. Steady annual funding is anticipated.

**Table 6- Anticipated Resources**

**Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied.**

The extent of need in Hesperia far exceeds the available funding from CDBG. Most activities into which these funds are invested will also leverage a variety of additional sources including, but not limited to,

public and private grants, capital development and general funds, public financing, and private donations. The City encourages the use of Low-Income Housing Tax Credits to fund construction, substantial rehabilitation, or acquisition or affordable housing.

Depending on the financing structure of a given activity, it may be advantageous for the City to use CDBG funds to leverage appropriate state, local, and private resources, including but not limited to those listed below.

#### Federal Resources

- Continuum of Care (CoC) Program
- HUD Veterans Affairs Supportive Housing (HUD-VASH)
- Supportive Housing for the Elderly (Section 202)
- Supportive Housing for Persons with Disabilities (Section 811)
- Housing Opportunities for Persons with AIDS (HOPWA)
- YouthBuild
- Federal Low-Income Housing Tax Credit Program
- Project Based Housing Choice Vouchers

#### State Resources

- Low-Income Housing Tax Credit Program
- Tax-Exempt Bond Financing
- Permanent Local Housing Allocation
- Building Equity and Growth in Neighborhoods Program (BEGIN)
- CalHome Program
- Multifamily Housing Program (MHP)
- CalHFA Single and Multi-Family Program
- Mental Health Service Act (MHSA) Funding
- Affordable Housing and Sustainable Communities Program

#### Local Resources

- Continuum of Care (CoC) Program
- Housing Authority of the County of San Bernardino (HACSB)
- California Home Finance Agency
- City of Hesperia In-Lieu Fees
- Low- and Moderate-Income Housing Asset Fund (Successor Housing Agency)

#### Private Resources

- Federal Home Loan Bank, Affordable Housing Program
- Community Reinvestment Act Programs
- United Way
- Private Contributions

Matching Requirements: CDBG does not have a matching requirement.

**If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan.**

The City owns and maintains rights-of-way which may be used or improved to address the needs identified in the Consolidated Plan. City staff keeps inventory of vacant and non-vacant sites as part of the Housing Element. Furthermore, City staff maintain relationships with developers which informs their knowledge of existing conditions. As of the execution of this document there are currently no publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan.

**Discussion**

During July 2026 through June 2027, the City will rely on other public and private funding, including but not limited to:

- Low-Income Housing Tax Credits
- Project-based Section 8 certificates
- Project financing at favorable interest rates from local lenders
- Private market real estate investments
- Market rate housing that subsidizes affordable units on the same development site to enhance the availability, affordability and sustainability of affordable housing.

Along with leveraged dollars, the City expects to spend approximately \$946,179 of CDBG funds during the 2026-2027 program year on public facility and infrastructure improvement activities that promote a suitable living environment, and fair housing. It is anticipated that approximately \$822,179 of these funds will be spent on public facility and infrastructure projects.

# AP-35 Projects – 91.220(d)

## Introduction

To address the high priority needs identified in the Strategic Plan to the 2025-2029 Consolidated Plan, the City will invest CDBG funds during the 2026-2027 program year on projects that improve public facilities and infrastructure, and provide fair housing. Together, these projects will address the community development needs of Hesperia residents-particularly those residents residing in the low- and moderate-income CDBG Target Areas.

## Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Based on the Strategic Plan, the City is allocating 100 percent of its non-administrative CDBG investments for the program year 2026-2027 to projects and activities that benefit low- and moderate-income people. The primary obstacles to meeting the underserved needs of low- and moderate-income people include limited funding from federal, state, and other local sources. To address these obstacles, the City is investing \$822,179 of CDBG funds in the 2026-2027 Annual Action Plan for the Annual Street Improvement Project that will reconstruct deteriorated streets.

# AP-50 Geographic Distribution – 91.220(f)

## Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Infrastructure improvements and public facilities will be focused on areas with a concentration of residents with low and moderate incomes throughout the City. It should be noted that 57percent of Hesperia households have low or moderate incomes, according to 2016-2020 CHAS data.

### Geographic Distribution

Target Area	Percentage of Funds
CDBG Low- and Moderate-Income Census Tract/Block Group	87%
Citywide	13%

Table 11 - Geographic Distribution

### Rationale for the priorities for allocating investments geographically

HUD allows CDBG grantees to implement certain activities such as initial construction or expansion of community facilities and infrastructure that benefit certain neighborhoods or villages (but not the entire City) provided the service area for the facility or infrastructure is primarily residential and where at least 51 percent of residents are low- and moderate-income.

The City will use a place-based and citywide strategy to distribute funding. It is the City’s intent to fund activities in the areas and for the populations most directly affected by the needs of low-income residents and those with other special needs. Where appropriate the Annual Action Plan will direct investment to an area benefit neighborhood. The area benefit category is the most used national objective for activities benefiting a residential neighborhood. An area benefit activity is one that benefits all residents, where at least 51 percent are low- and moderate-income. Public infrastructure improvements are an area benefit activity when they are in a predominantly low- and moderate-income neighborhood.

# Affordable Housing

## AP-55 Affordable Housing – 91.220(g)

### Introduction

The City does not currently have active housing programs, the Hesperia Housing Authority (HHA) has provided funding for affordable housing projects in prior years to address the need for affordable housing and housing rehabilitation.

### Discussion

Responses to the Community Needs Survey indicated the greatest area of need in Hesperia is infrastructure improvements, specifically streets and sidewalks. Due to limited funding, during the 2025-2026 program year the City will not be investing CDBG funds in the preservation of affordable housing units but for public facility and infrastructure improvement activities.

## **AP-60 Public Housing – 91.220(h)**

### **Introduction**

There is no public housing located within the City of Hesperia.

### **Actions planned during the next year to address the needs to public housing**

Public housing needs are addressed by the Housing Authority of the County of San Bernardino (HACSB).

### **Actions to encourage public housing residents to become more involved in management and participate in homeownership.**

This is not applicable to the City of Hesperia. HACSB encourages residents to be actively involved in the community and in the management of public housing developments through resident councils and numerous opportunities for feedback such as community meetings and surveys. HACSB and the City of Hesperia also actively encourage and promote public housing residents to explore homeownership opportunities and programs through HACSB's Homeownership Assistance Program.

### **If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance.**

This is not applicable as the HACSB is considered a high performing PHA.

## **AP-65 Homeless and Other Special Needs Activities – 91.220(i)**

### **Introduction**

The City will invest leveraged CDBG funds during the 2026-2027 program year to address high priority needs identified in the 2025-2029 Consolidated Plan. To address homelessness and other special needs the City will continue to fund the Community Assistance Program (CAP). The CAP was developed to fund organizations that will provide public services to Hesperia residents.

### **Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

Preventing and ending homelessness is a HUD priority addressed nationally through coordination of regional strategies carried out locally by government agencies and a wide variety of community-based organizations and faith-based groups. Consistent with this approach, the City supports the efforts of San Bernardino County Continuum of Care (CoC) and its member organizations that address homelessness throughout San Bernardino County. In alignment with this strategy, the City has previously and will consider using general fund dollars through the CAP to support local service providers' efforts to meet and identify the needs of those experiencing unsheltered homelessness.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The ultimate solution to ending homelessness is transitional to permanent housing closely aligned with supportive services that ensure housing stability can be maintained. However, because the demand for affordable housing far outpaces the region's supply, the CoC continues to rely on its emergency and transitional housing system to address the immediate needs of San Bernardino County's homeless population.

The CoC is improving the efficacy of emergency shelters and the access system including their seasonal emergency shelters and the County's three (3) Cold Weather Shelter facilities, the closest being located in the City of San Bernardino and temporary warming shelter in the City of Victorville.

For transitional housing, the CoC recognizes a need to maintain a level of transitional housing for the target populations that benefit most from a staged approach to housing, such as mentally ill and chronically homeless individuals. While the CoC continues to support transitional housing in special circumstances, the CoC is currently examining ways to shorten stays in emergency shelters and transitional housing so that resources may be used for rapid re-housing or placement in permanent supportive housing.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

In support of CoC efforts, this City's Strategic Plan provides for the use of general funds to support activities implemented by the City and local nonprofit organizations that provide services to help prevent and eliminate homelessness, including families at risk of homelessness, veterans, victims of domestic violence and emancipated foster youth. In the past CAP funds have supported homelessness prevention and food assistance programs. It is anticipated that CAP funds will continue to provide funding for similar homeless services.

Additional efforts include support at the regional level to shorten the period that individuals and families are experiencing homelessness and to prevent individuals and families who were recently homeless from becoming homeless again. The 2-1-1 regularly works with public service agencies to analyze the resources and funding being used to operate transitional housing programs and consider how these resources could be used more in alignment with the best practices (i.e., rapid re-housing and permanent housing) for ending homelessness. Many transitional housing providers are working to End Homelessness to evaluate strategies to lower program threshold requirements and improve outcomes including shorter shelter stays and more rapid transitions to permanent housing.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The County in collaboration with the CoC maintains Discharge Coordination Policies for the systems of care it administers, such as discharge from the Corrections, Foster Care, and the Mental Health systems. The City supports the CoC's advocacy for development of consistent policy implementation by hospital

administrators for best practices such as recuperative care, and co-location of health services near affordable housing developments.

In the past CAP funds have supported homelessness prevention and food assistance programs. It is anticipated that CAP funds will continue to provide funding for similar rental assistance, and case management services to households experiencing homelessness, including those living in emergency shelters.

# AP-75 Barriers to affordable housing – 91.220(j)

## Introduction

A barrier to affordable housing is a public policy or nongovernmental condition that constrains the development or rehabilitation of affordable housing, such as land use controls, property taxes, state prevailing wage requirements, environmental protection, cost of land and availability of monetary resources. The City of Hesperia works to remove barriers to affordable housing and the financial impact of efforts to protect public health and safety by taking actions to reduce costs or provide offsetting financial incentives to assist in the production of safe, high quality, affordable housing. Barriers to affordable housing are distinguished from impediments to fair housing choice in that barriers are lawful and impediments to fair housing choice are usually unlawful.

## **Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

The draft Analysis of Impediments to Fair Housing completed in 2025, proposed the following strategies to address fair housing issues and contributing factors.

- Increase Affordable Housing Development – Support the construction of affordable housing in high-opportunity areas and streamline approval processes.
- Enhance Housing Accessibility – Implement a formal reasonable accommodation process and encourage the development of accessible housing units.
- Expand Public Transportation – Improve transit routes and services, particularly for lower-income neighborhoods.
- Strengthen Fair Housing Protections – Partner with fair housing organizations to educate tenants and landlords about fair housing rights and responsibilities.
- Promote Economic Mobility – Support job training programs and housing development near employment centers to improve access to economic opportunities.

## Discussion

To address housing affordability and the lack of monetary resources for affordable housing, the City's Strategic Plan as identified in their 2025-2029 Consolidated Plan calls for a portion of CDBG funds to be used for Fair Housing Services to ensure fair housing choices. The City will continue to leverage its funds to attract private and other available public resources. The City's updated 2021-2029 Housing Element notes the following to help ameliorate negative effects of public policies that serve as barriers to affordable housing:

- The City has outlined certain concessions for development standards in its Landscape Ordinance. Affordable housing developments are permitted to use one-gallon shrubs and five-gallon trees, instead of the otherwise required five-gallon shrubs and 15-gallon trees.

- The City of Hesperia has established a density bonus program to encourage the production of housing for lower and moderate-income households by offering developers density increases beyond the maximum allowed under the applicable zoning district and land use element of the general plan in exchange for the construction of below-market rate units. In addition, other development incentives may be permitted.
- Current state law requires jurisdictions to provide density bonuses and development incentives to all developers who propose to construct affordable housing on a sliding scale, where the amount of density bonus and number of incentives vary according to the amount of affordable housing units provided. In May of 2011, the City's Development Code was updated to reflect these new requirements.
- Under AB 1763, housing projects where all units are affordable to low and very low-income residents qualify for an 80% density bonus, except that up to 20 percent of the total units in the development may be for moderate-income households. AB 1763 provides for a fourth incentive and concession to 100% affordable projects. For housing projects that qualify as a special needs or supportive housing development, AB 1763 completely eliminates all local parking requirements. A development that is a special needs housing development shall have either paratransit service or unobstructed access, within one-half mile, to fixed bus route service that operates at least eight times per day. The development code will be amended in 2020 to reflect the changes in Density Bonus Law.
- In October 2019, SB 13, AB 68, and AB 881 were adopted into law with the intention of facilitating the construction of Accessory Dwelling Units (ADUs) in California. One key component of the new ADU laws is that the City is now required to allow Junior Accessory Dwelling Units (Junior ADUs). In June 2020, the development code was amended to be consistent with state law.
- AB 671 requires cities to include a plan that incentivizes and promotes the creation of ADUs that can be offered at affordable rent for very low, low-, or moderate-income households in its housing element. The City amended its ADU Ordinance, which was adopted by the City Council on November 19, 2024, to allow the sale and conveyance of ADUs for Community Land Trusts (CLTs), thereby enabling CLTs to build and manage ADUs that remain permanently affordable, as they can be sold separately to qualified buyers. The ADU Ordinance was also amended to allow the separate sale and or conveyance of ADUs, potentially making it easier for homeowners to finance ADU construction for very-low or low-income individuals to purchase them.

## **AP-85 Other Actions – 91.220(k)**

### **Introduction**

Priority needs established in the 2025-2029 five-year Consolidated Plan form the basis for establishing objectives and outcomes in the Action Plan. Those needs are as follows:

- Provide public facility and infrastructure improvements to create a suitable living environment
- Ensure equal access to housing opportunities
- 

### **Actions planned to address obstacles to meeting underserved needs**

The primary obstacles to meeting the needs of underserved households with low- and moderate-incomes are reduced funding from federal, state, and other local sources, and the high cost of housing. To address these obstacles, at least in part, the City will continue to work to leverage public and private resources through grant and partnership opportunities.

The City will continue to promote fair housing practices for sale and rental housing and to facilitate community awareness of fair housing. The City of Hesperia will continue to use CDBG funds to contract with Fair Housing Foundation for this program year to provide fair housing and tenant/landlord services to residents.

### **Actions planned to foster and maintain affordable housing**

The City of Hesperia works to remove barriers to affordable housing and the financial impact of efforts to protect public health and safety by taking actions to reduce costs or provide offsetting financial incentives to assist in the production of safe, high quality, affordable housing. In program year 2026-2027, the City plans to allocate \$822,179 in CDBG funds to the Annual Street Improvement Project and \$329,415.87 to foster affordable housing through the City's Housing Rehabilitation Program.

### **Actions planned to reduce lead-based paint hazards**

Code enforcement and building inspectors will continue to identify lead-based paint hazards as part of their ongoing activities, if the scope of the complaint allows them into the unit, or if it is a part of an ongoing investigation. The Building Division will continue to be alert to units that may contain lead-based paint. They will inform tenants and landlords as part of their inspections.

### **Actions planned to reduce the number of poverty-level families**

The implementation of CDBG activities meeting the goals established in the Consolidated Plan-Strategic Plan and this Action Plan will help to reduce the number of poverty-level families by:

- Supporting activities that preserve and improve public facilities and infrastructure to benefit low- and moderate-income residents of Hesperia;
- Supporting activities that preserve the supply of decent housing that is affordable to low- and

moderate-income households

- Supporting activities that fulfill the HUD mandate to further fair housing choice through the provision of fair housing education, counseling, anti-discrimination and landlord-tenant mediation; and
- Fund the needs of the administration to run the CDBG.

### **Actions planned to develop institutional structure**

The City of Hesperia works with a wide range of public and community social service agencies to meet and address the various needs of the community. This program year, City staff will continue to collaborate internally, as well as with local non-profit advocacy groups and other County, State and Federal organizations. Specifically, the City participates in various regional efforts that involve the collaboration of local jurisdictions, private organizations, and other public and quasi-public agencies to address homelessness, fair housing, and affordable housing issues.

### **Actions planned to enhance coordination between public and private housing and social service agencies**

To enhance coordination between public and private housing and social service agencies, the City will welcome and continue to encourage partnering with non-profit providers, community and faith-based organizations, public institutions, community residents, and City Departments to ensure the effective delivery of quality housing and supportive services to low-income individuals.

City staff attends several local and regional meetings, which include service providers, neighboring agencies, and elected officials to keep abreast of issues affecting the quality of life for low-income residents. The City maintains a web presence and is pro-active in providing technical assistance throughout the year to assist interested citizens and agencies in understanding and applying for CDBG.

NOTICE OF PUBLIC HEARING & REVIEW  
DRAFT SUBSTANTIAL AMENDMENT TO THE  
2025-2029 CONSOLIDATED PLAN AND  
DRAFT 2026-2027 ACTION PLAN**

**Program  
Description:**

Notice is hereby given that the City of Hesperia has prepared the Draft Substantial Amendment to the 2025-2029 Consolidated Plan for the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) and the Draft 2026-2027 Annual Action Plan in accordance with HUD requirements to prepare and submit an Action Plan every year as a condition of receiving annual allocations of CDBG and HOME funds.

The Consolidated Plan establishes the priority housing, community and economic development needs of the City and provides a strategy for the types of projects that will receive CDBG and HOME funds during the five-year period to address specific goals related to the provision of decent housing, a suitable living environment and expanded economic opportunity for low- and moderate-income residents. The goals included in the 2025-2029 Consolidated Plan include Public Facilities and Infrastructure and Fair Housing Services. The Draft Substantial Amendment to the 2025-2029 Consolidated Plan will add the goal of Preservation of Affordable Housing and subsequent housing activities utilizing HOME funds.

The Action Plan establishes the programs and activities to be undertaken using CDBG and HOME funds during the 2026-2027 program year beginning July 1, 2026, and ending June 30, 2027. The City anticipates receiving \$946,179 of CDBG funds and \$366,017 of HOME funds for the 2026-2027 program year and anticipates receiving similar allocations for the subsequent three program years covered by the 2025-2029 Consolidated Plan. Annual allocations of CDBG and HOME funds are subject to change based on federal appropriations and any changes to the HUD grant allocation formulas or data used in the formulas.

## AVISO DE AUDIENCIA PÚBLICA Y REVISIÓN

### CIUDAD DE HESPERIA DEL BORRADOR DE ENMIENDA SUSTANCIAL AL PLAN CONSOLIDADO 2025-2029 Y BORRADOR DEL PLAN DE DESEMPEÑO 2026-2027

**Descripción del Programa:** Por medio de la presente se notifica que el Ayuntamiento de la Ciudad de Hesperia ha preparado el Borrador de la Enmienda Sustancial al Plan Consolidado 2025-2029 para los programas del Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (HUD, por sus siglas en inglés) Subsidios Globales para el Desarrollo Comunitario (CDBG, por sus siglas en inglés) y Programa de Asociación para Inversiones en Vivienda HOME (HOME, por sus siglas en inglés) y el Borrador del Plan de Desempeño Anual de 2026-2027 conforme a los requisitos de HUD para preparar y presentar un Plan de Desempeño cada año como condición para recibir asignaciones anuales de los fondos de los programas de CDBG y HOME.

El Plan Consolidado establece las necesidades prioritarias de vivienda, desarrollo comunitario y económico de la Ciudad y proporciona una estrategia para los tipos de proyectos que recibirán fondos CDBG y HOME durante el período de cinco años, con el fin de abordar objetivos específicos relacionados con la provisión de vivienda digna, un entorno de vida adecuado y la ampliación de las oportunidades económicas para los residentes de ingresos bajos y moderados. Los objetivos incluidos en el Plan Consolidado 2025-2029 incluyen Instalaciones e Infraestructura Pública y Servicios de Vivienda Justa. El Borrador de Enmienda Sustancial al Plan Consolidado 2025-2029 incorporará el objetivo de Preservación de Vivienda Asequible y las actividades de vivienda posteriores que utilicen fondos HOME.

El Plan de Desempeño establece los programas y actividades a realizar utilizando fondos de CDBG y HOME durante el año del programa iniciando en Julio 1, 2026 y finalizando el Junio 30, 2027. El Ayuntamiento anticipa recibir \$946,179 de fondos de CDBG y \$366,017 de fondos de HOME para el año del programa 2026-2027 y anticipa recibir asignaciones similares para los tres años de programas subsecuentes cubiertos por el Plan Consolidado 2025-2029. Las asignaciones de fondos anuales de CDBG y HOME están sujetas a cambios en funciones federales y cualquier cambio en las fórmulas de asignación de subsidios de HUD o los datos utilizados en las fórmulas.
