

DRAFT

ATTACHMENT "A" List of Conditions for CUP26-00007

Approval Date:
Effective Date: August 25, 2026
Expiration Date: August 25, 2029

This list of conditions applies to: Consideration of Conditional Use Permit (CUP26-00007) to permit the conversion of an existing single-family residence into priest living quarters and the construction of a 4,995-square-foot church building on a 5-acre site within the Limited Agriculture (A1) zone located at 11767 Orchid Ave (Applicant: Victor Valley Gospel Church; APN: 0399-011-50)

The use shall not be established until all conditions of this land use approval application have been met. This approved land use shall become null and void if all conditions have not been completed by the expiration date noted above. Extensions of time may be granted upon submittal of the required application and fee prior to the expiration date.

(Note: the "COMPLETED" and "COMPLIED BY" spaces are for internal City use only).

CONDITIONS REQUIRED AS PART OF SUBMITTAL OF PUBLIC IMPROVEMENT PLANS

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

CONSTRUCTION PLANS. Five complete sets of construction plans prepared and wet stamped by a California licensed Civil or Structural Engineer or Architect shall be submitted to the Building Division with the required application fees for review. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

PERCOLATION TEST. The applicant shall submit a percolation test, performed by a California licensed civil or soils engineer, for determining the percolation rate for the required private sewage disposal systems. Should the applicant agree in writing to use the most restrictive percolation test for a site in close proximity to the subject property in designing the sewage disposal systems, then a percolation test shall not be required to be performed on-site. The applicability of any percolation test for use in designing the sewage disposal systems shall be subject to review and approval by the Building and Safety Division. In the event a tract map or parcel map has previously been recorded on the project site, the City of Hesperia has a percolation test on file, and no unusual conditions apply, this requirement may be waived by the Building and Safety Division. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

IRREVOCABLE OFFERS OF DEDICATION. The Developer shall submit an Offer of Dedication to the City's Engineering Department for review and approval. At time of submittal the developer shall complete the City's application for document review and pay all applicable fees. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

GEOTECHNICAL REPORT. The Developer shall provide two copies of the soils report to substantiate all grading building and public improvement plans. Include R value testing and pavement recommendations for public streets. (E B)

COMPLETED

COMPLIED BY

PLAN CHECK FEES. Plan checking fees must be paid in

NOT IN COMPLIANCE

conjunction with the improvement plan submittal. All required plans, maps, requested studies, CFD annexations, etc. must be submitted as a package. The Developer shall coordinate with the City's Engineering Analyst, Dena Alcayaga at (760) 947-1438 or dalcayaga@cityofhesperia.us, to obtain the fee calculation form which shall be completed and submitted, along with fee payment, at time of plan submittal. Any outstanding fees must be paid before final inspection and the release of bonds.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

TITLE REPORT. The Developer shall provide a complete title report 90-days or newer from the date of submittal. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

DRAINAGE STUDY. The Developer shall submit three (3) copies of a Final Drainage Study which analyzes the pre-project and proposed project hydrology, including flows from offsite, flows generated onsite, hydraulic properties of flows entering or exiting the project to and from natural or constructed conveyances, and capacity and function of any runoff management structures such as catch basins, inlets, outlets and detention or retention structures. The study must include all information specified in the City's hydrology study outline

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

STORM WATER POLLUTION PREVENTION PLAN. The Project shall submit to the City for approval two (2) copies of a Storm Water Pollution Prevention Plan (SWPPP) as specified in the prevailing National Pollutant Discharge Elimination System (NPDES) General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities issued by the California State Water Resources Control Board.

Prepare the SWPPP using or following the format of the most recent SWPPP Template in the Construction BMP Handbook prepared by the California Stormwater Quality Association (requires subscription); see:

<https://www.casqa.org/resources/bmp-handbooks>

NPDES: The Project shall enroll under the prevailing National Pollutant Discharge Elimination System (NPDES) General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities issued by the California State Water Resources Control Board and pay applicable fees. The Project shall provide proof of such permit coverage including a copy of the Notice of Intent Receipt Letter and the project WDID No. to the City.

Alternatively, projects from 1 to 5 acres with an approved Rainfall Erosivity Waiver authorized by U.S. EPA Phase II regulations certifying to the State Water Resources Control Board that construction activity will occur only when the Rainfall Erosivity Factor is less than 5 (R in the Revised Universal Soil Loss Equation), shall provide a copy of the project's Erosivity Waiver Certification and Waiver ID to the City.

NPDES-PERMIT TERMINATION: Upon completion of construction, the Project shall ensure that all disturbed areas are stabilized and all construction waste, equipment, and unnecessary temporary BMPs are removed from the site. In

addition, the Project shall file a Notice of Termination (NOT) with the Lahontan Regional Water Board as required by the NPDES General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

INDEMNIFICATION(1). To the furthest extent allowed by law, Applicant shall indemnify, hold harmless and defend City and each of its officers, officials, employees, consultants, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, damages and costs (including attorney's fees, litigation expenses and administrative record preparation costs) arising from, resulting from, or in connection with any Third-Party Action (as hereinafter defined). The term "Third Party Action" collectively means any legal action or other proceeding instituted by (i) a third party or parties, or (ii) a governmental body, agency or official other than the City, that: (a) challenges or contests any or all of these Conditions of Approval or any approval associated with entitlements associated with the project to which these conditions of approval apply (collectively "Approvals"); or (b) claims or alleges a violation of CEQA or another law in connection with the Approvals by the City, or the grant, issuance or approval by the City of any or all Approvals. Applicant's obligations under this paragraph shall apply regardless of whether City or any of its officers, officials, employees, consultants, agents or volunteers are actively or passively negligent, but shall not apply to any loss, liability, fines, penalties forfeitures, costs or damages caused solely by the active negligence or willful misconduct of the City or any of its officers, officials, employees, agents or volunteers. The provisions of this section shall survive any termination, revocation, overturn, or expiration of an approval. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

INDEMNIFICATION(2). Nothing in this condition shall obligate the City to defend any claim and the City shall not be required to pay or perform any settlement arising from any such claim unless the City approves the settlement in writing. Additionally, the City shall not be prohibited from independently defending any claim, and whether or not the City does decide to independently defend a claim, the applicant shall be responsible for City's attorneys' fees, expenses of litigation, and costs for that independent defense, including the costs of preparing any required administrative record. Unless the City independently chooses to defend any Third Party Action on its behalf, Applicant shall control the conduct of the defense of any claim or action provided that: (1) the City shall have the right, prior to filing, to review and approve any and all pleadings or related documents filed with the court in connection with such defense and Applicant shall reimburse the City for review time for each draft brief or pleading to be filed on behalf of the City; and (2) the City shall review and reasonably approve any proposed settlement. The Applicant acknowledges that the City is not obligated to approve a proposed settlement requiring the City to pay or incur any monetary amount, take a future legislative action, render a future quasi judicial decision, or otherwise take a future discretionary government action. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

INDEMNIFICATION(3). The City may, at any time, require the applicant to reimburse the City for costs that have been, or which the City reasonably anticipates will be, incurred by the City during the course of processing or defending any Third-Party Actions. The City shall provide Applicant with an invoice detailing all reasonable costs incurred. Applicant shall tender to the City payment in full of all reasonable and necessary costs within thirty (30) days from the date upon the invoice. Applicant further acknowledges and agrees that failure to timely tender payment in full to the City shall be considered a breach and non compliance with the conditions of approval for the project. Applicant shall also be required, upon request of the City, to deposit two month's estimated costs anticipated by the City to be incurred, which may be used by the City as a draw down account to maintain a positive balance pending tender of payment by Applicant as noted herein. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

EXPIRATION OF ENTITLEMENT. Unless the applicant has obtained a grading permit and/or building permit and commenced construction, this approval shall expire three (3) years from the date of action of the reviewing authority. Where no grading or building permit is required, the allowed use on the site shall have commenced prior to the expiration date in compliance with the approval and any applicable conditions of approval. An extension of time may be granted pursuant to Municipal Code Section 16.12.060 if the applicant files an application and written request for an extension prior to the expiration of the permit. (P)

CONDITIONS REQUIRED PRIOR TO GROUND DISTURBING ACTIVITY

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

PRE-CONSTRUCTION MEETING. Pre-construction meetings shall be held between the City the Developer grading contractors and special inspectors to discuss permit requirements monitoring and other applicable environmental mitigation measures required prior to ground disturbance and prior to development of improvements within the public right-of-way. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

SURVEY. The Developer shall provide a legal survey of the property. All property corners shall be staked and the property address posted. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

APPROVAL OF IMPROVEMENT PLANS. All required improvement plans shall be prepared by a registered Civil Engineer per City standards and per the City's improvement plan checklist to the satisfaction of the City Engineer. Five sets of improvement plans shall be submitted to the Development Services Department and Engineering Department for plan review with the required plan checking fees. All Public Works plans shall be submitted as a complete set. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

DEDICATION(S). The Developer shall grant to the City an Irrevocable Offer of Dedication for Orchid Avenue The right-of-way full width for Orchid Avenue shall be sixty (60') feet. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

ORCHID AVENUE: Developer shall design to construct half-width asphalt pavement on Orchid Avenue across the project frontage based on City's 60-foot Local Roadway Standard. The design shall be based upon an acceptable centerline profile extending a minimum of three hundred (300) feet beyond the project boundaries where applicable. These improvements shall consist of (E)

A. Pavement transitions per City Standards.

B. Design roadway sections per existing approved street sections and per R value testing with a traffic index of 8 and per the soils report.

C. Cross sections every 50-feet per City standards.

D. Traffic control signs and devices as required by the traffic study and or the City Engineer.

E. Provide a signage and striping plan per City standards.

F. It is the Developers responsibility to obtain any off-site dedications for transition tapers including acceleration deceleration tapers per City standards

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

GRADING PLAN. The Developer shall submit a Grading Plan with existing contours tied to an acceptable City of Hesperia benchmark. The grading plan shall indicate building footprints and proposed development of the retention basin(s) as a minimum. Site grading and building pad preparation shall include recommendations provided per the Preliminary Soils Investigation. All proposed walls shall be indicated on the grading plans showing top of wall (tw) and top of footing (tf) elevations along with finish grade (fg) elevations. Wall height from finish grade (fg) to top of wall (tw) shall not exceed 6.0 feet in height. Grading Plans are subject to a full review by the City of Hesperia and the City Engineer upon submittal of the Improvement Plans. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

STREET IMPROVEMENTS. The Developer shall design street improvements in accordance with City standards and these conditions. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

UTILITY PLAN. The Developer shall design a Utility Plan for service connections and / or private hydrant and sewer connections. Any existing water, sewer, or storm drain infrastructures that are affected by the proposed development shall be removed / replaced or relocated and shall be constructed per City standards at the Developers expense. (E)

A. A remote read automatic meter reader shall be added on all meter connections as approved by the City Engineer.

B. The Developer shall design a Utility Plan for service connections and / or private water and sewer connections. Domestic and fire connections shall be made from the existing 12" PVC water line in Orchid Avenue per City Standards.

C. The Developer is not required to install sewer lines unless the proposed septic system cannot meet the La Honton Regional Water Quality Boards requirements or the City of Hesperias EDU requirements.

D. Complete V.V.W.R.A.s Wastewater Questionnaire for

Commercial / Industrial Establishments and submit to the Engineering Department. Complete the Certification Statement for Photographic and X ray Processing Facilities as required. The Wastewater Questionnaire is only required if the project is required to connect to sewer.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

EROSION CONTROL. The Developer shall provide an Erosion and Sediment Control Plan, prepared using the City's ESCP Template, with the improvement plans submittal per City Standards. A City-approved SWPPP developed pursuant to the NPDES General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities may substitute for the ESCP. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

EXECUTED AND RECORDED WQMP MAINTENANCE AGREEMENT. The WQMP Maintenance Agreement: Covenant and Agreement Regarding Water Quality Management Plan and Stormwater Best Management Practices Transfer, Access, and Maintenance, must be (1) prepared using the WQMP Maintenance Agreement Template provided as Attachment A to the City of Hesperia WQMP Templates, and (2) the complete WQMP Maintenance Agreement, with the Property Owners notarized signature(s) and suitable for recordation by the City, must be received before the City will authorize the final inspection or issue a Certificate of Occupancy.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

WQMP PERMIT. The Property Owner shall apply for a City WQMP Permit with the Building and Safety Department and pay the applicable permit fees. The WQMP Permit shall be renewed annually. To comply with the WQMP Permit, the Property Owner shall certify on an annual basis that all of the post-construction best management practices (BMPs) described in the approved project WQMP have been inspected and maintained as specified and required by the BMP Inspection and Maintenance Form and Operation and Maintenance Plan. The Property Owner shall provide proof of the WQMP Permit before the City will issue a Certificate of Occupancy.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

NATIVE AMERICAN RESOURCES. If human remains or funerary objects are encountered during any activities associated with the project, work in the immediate vicinity shall cease and the County Coroner shall be contacted pursuant to State Health and Safety Code §7050.5 and that code enforced for the duration of the project. In the event that Native American cultural resources are discovered during project activities, all work in the immediate vicinity of the find shall cease and a qualified archaeologist shall be hired to assess the find. Work on the other portions of the project outside of the buffered area may continue during this assessment period. If significant Native American historical resources, as defined by CEQA (as amended, 2015), are discovered and avoidance cannot be ensured, a qualified archaeologist shall be retained to develop a cultural resources Treatment Plan, as well as a Discovery and Monitoring Plan. The Lead Agency and/or applicant shall, in good faith, consult local Indian tribes on the disposition and treatment of any artifacts or other cultural

materials encountered during the project. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

PRE-CONSTRUCTION SURVEY. A pre-construction survey for the burrowing owl shall be conducted by a City approved and licensed biologist, no more than 30 days prior to ground disturbance. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

PROTECTED PLANTS. Three copies of a protected plant plan shall be submitted to the Building Division showing the present location and proposed treatment of all smoke tree, species in the Agavacea family, mesquite, large creosote bushes, Joshua Trees, and other plants protected by the State Desert Native Plant Act. The grading plan shall be consistent with the approved protected plant plan. No clearing or grading shall commence until the protected plant plan is approved and the site is inspected and approved for clearing. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

INCIDENTAL TAKE PERMIT. Prior to the issuance of any grading or building permit, the applicant shall obtain a Western Joshua Tree Conservation Act (WJTCA) Incidental Take Permit from the California Department of Fish and Wildlife (CDFW) authorizing the proposed take of western Joshua trees associated with the project. The applicant shall provide the City with a copy of the approved permit and shall implement all permit conditions, including any required avoidance, minimization, relocation, mitigation, and monitoring measures, to the satisfaction of CDFW. (P)

CONDITIONS REQUIRED PRIOR TO BUILDING PERMIT ISSUANCE

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

AQMD APPROVAL. The Developer shall provide evidence of acceptance by the Mojave Desert Air Quality Management District. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

CONSTRUCTION WASTE. The developer or builder shall contract with the City's franchised solid waste hauler to provide bins and haul waste from the proposed development. At any time during construction, should services be discontinued, the franchise will notify the City and all building permits will be suspended until service is reestablished. The construction site shall be maintained and all trash and debris contained in a method consistent with the requirements specified in Hesperia Municipal Code Chapter 15.12. All construction debris, including green waste, shall be recycled at Advance Disposal and receipts for solid waste disposal shall be provided prior to final approval of any permit. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

DEVELOPMENT FEES. The Developer shall pay required development fees as follows:

A. School Fees

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

ELECTRIC VEHICLE CHARGING INFRASTRUCTURE. The project shall comply with the requirements of California Green Building Standards Code (CALGreen) Section 5.106.5.3 regarding electric vehicle (EV) charging infrastructure for non-residential developments. The developer shall provide the

required number of EV-capable parking spaces, including the necessary raceways, conduits, panel capacity, and other supporting infrastructure to facilitate the future installation of EV charging stations in accordance with state and local requirements. This may include designated Electric Vehicle Charging Spaces (EVCS) that are required to have Electric Vehicle Supply Equipment (EVSE) installed as part of the project. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

ACCESSIBLE PARKING SPACES. The project shall comply with California Building Code (CBC) Section 11B-208, ensuring that accessible parking spaces are provided as required for non-residential developments. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

SAN BERNARDINO COUNTY FIRE. Prior to the issuance of building permits and/or commencement of operations, the applicant/tenant shall submit project plans to the San Bernardino County Fire Department for review and approval. The project shall comply with all applicable fire and life safety requirements, including but not limited to fire access, fire flow, fire sprinklers, alarms, and hazardous materials regulations, as determined by the Fire Department. All required permits, inspections, and approvals from the Fire Department shall be obtained prior to final occupancy.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

LIGHTING: The design, installation, and operation of all exterior lighting and other sources of illumination shall comply with the City of Hesperia Development Code lighting and glare standards. All exterior lighting shall be fully shielded and directed downward onto the project site to prevent light spillover and glare onto adjacent properties and public rights-of-way. Illumination generated by the project shall not exceed 0.5 foot-candle, measured at any property line or public right-of-way. Prior to the issuance of building permits, the applicant shall submit three (3) sets of exterior lighting plans, including light standard details, fixture specifications, and a photometric plan, to the Building and Safety Division for review and approval. The submitted plans shall demonstrate compliance with this condition.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

LANDSCAPE PLANS. The Developer shall submit three two sets of landscape and irrigation plans including water budget calculations, required application fees, and completed landscape packet to the Building Division.

Plans shall utilize xeriscape landscaping techniques in conformance with the Landscaping Ordinance. The number, size, type and configuration of plants approved by the City shall be maintained in accordance with the Development Code. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

SOLID MASONRY WALL. The Developer shall submit four sets of masonry wall plans to the Building Division with the required application fees for all proposed walls. Applicant shall install a six-foot high wall with decorative cap in accordance with the Development Code as per the approved site plan (P)

COMPLETED

COMPLIED BY

TRASH ENCLOSURE. All trash enclosures shall be in

NOT IN COMPLIANCE

conformance with Municipal Code Section 16.16.360 and City approved construction details. The enclosure shall be enclosed on three sides by a minimum six-foot tall decorative masonry wall with split face block on the viewable side and a decorative cap. The masonry wall shall be earth tone in color; solid grey block is not allowed. The enclosure shall have non-transparent metal gates and a solid roof-cover that is architecturally compatible with the primary building onsite and that serves to protect the refuse area from inclement weather, as well as prevents unauthorized entry into the enclosure. (P)

CONDITIONS REQUIRED PRIOR TO CERTIFICATE OF OCCUPANCY

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

DEVELOPMENT FEES. The Developer shall pay required development fees as follows:

- A. Development Impact Fees (B)
- B. Park Fees (B)
- C. Utility Fees (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

UTILITY CLEARANCE AND C OF O. The Building Division will provide utility clearances on individual buildings after required permits and inspections and after the issuance of a Certificate of Occupancy on each building. Utility meters shall be permanently labeled. Uses in existing buildings currently served by utilities shall require issuance of a Certificate of Occupancy prior to establishment of the use. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

BUSINESS LICENSE. Prior to the commencement of operations, the applicant/tenant shall obtain and maintain a valid City business license in accordance with the Municipal Code. (B)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

AS BUILT PLANS. The Developer shall provide as built plans. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

PUBLIC IMPROVEMENTS. All public improvements shall be completed by the Developer and approved by the Engineering Department. Existing public improvements determined to be unsuitable by the City Engineer shall be removed and replaced. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

DRAINAGE IMPACT PREVENTION. The Project shall provide additional drainage facilities, and/or additional drainage facility capacity to mitigate flooding or other downstream impacts associated with or in the vicinity of the proposed project per direction of the City Engineer.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

EROSION CONTROL. The Project shall implement all requirements of the approved Erosion and Sediment Control Plan (or SWPPP if applicable) prior to the City's issuance of a grading permit, and provide ongoing implementation until the project is complete and all disturbed areas are fully stabilized. (E)

COMPLETED

COMPLIED BY

OFFSITE DRAINAGE IMPACT PREVENTION. The Project

NOT IN COMPLIANCE

shall provide safe conveyance for offsite runoff either routed through the project or around the project site. The Project shall ensure that the proposed conveyance of offsite flows will not increase adverse impacts to downstream properties and/or drainage facilities for the 1-hour design storm for the 100-year return frequency rainfall events.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

ONSITE DRAINAGE IMPACT PREVENTION. The Project shall be designed to prevent adverse impacts to downstream properties and/or drainage facilities caused or exacerbated by the project. The project shall demonstrate that runoff from the completed project site will not exceed 90% of the pre-project runoff discharge rates for the 24-hour design storm for the 100-year return frequency rainfall events.

A. Drawdown Time. All drainage facilities which are designed to percolate/infiltrate surface runoff (including basins, drywells, or infiltration-based low impact development features) shall not accumulate standing water for more than 48 hours. All drainage facilities designed to provide detention storage shall recover 100 percent of their design detention volume within 48 hours.

B. Groundwater Protection. The Project shall ensure any retention/infiltration or detention facilities will not adversely impact groundwater.

C. Underground Retention/Detention Systems. The Project shall demonstrate a minimum functional life span of 50 years for materials (e.g., polymer, metal, mineral-based, or other) used in underground retention/detention systems.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

OVERFLOW-OUTFALL. Each project shall be designed such that the outfall(s) for discharges from the project site in excess of design capacity and or in excess of the 100-year, 24-hr design storm is are routed to a public street, storm drain, drainage channel, or natural watercourse.

If such an outfall does not exist, the Project shall provide an outfall.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

SWPPP IMPLEMENTATION. All of the requirements of the City-approved Storm Water Pollution Prevention Plan shall be implemented prior to the City's issuance of a grading permit, and shall be maintained until construction is complete and all disturbed areas are fully stabilized. (E)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

LANDSCAPING/IRRIGATION. The Developer shall install the landscaping and irrigation as required by the Planning Division. (P)

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

ON SITE IMPROVEMENTS. All on site improvements as recorded in these conditions, and as shown on the approved site plan shall be completed in accordance with all applicable Title 16 requirements. The building shall be designed consistent with the design shown upon the approved materials board and color exterior building elevations. (P)

Others

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

PROJECT OPERATIONS. The use authorized by this Conditional Use Permit shall be limited to normal indoor church operations conducted in compliance with the City of Hesperia Development Code performance standards applicable to the Limited Agriculture (A1) Zone. The project shall be designed, constructed, and operated so as not to create excessive noise, vibration, dust, odors, smoke, glare, or other nuisances that adversely affect adjacent properties.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

NOISE. Noise generated by the project shall comply with all applicable provisions of the Hesperia Development Code and Municipal Code. Noise levels attributable to the project shall not exceed the maximum permissible limits, including but not limited to 60 dB(A) at any adjacent residential property line between the hours of 7:00 a.m. and 10:00 p.m., unless otherwise permitted by the Municipal Code.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

GLARE & LIGHTING. All exterior lighting shall comply with the City of Hesperia Development Code lighting and glare standards. Lighting shall be shielded and directed downward onto the project site and shall not exceed 0.5 foot-candle at any property line or public right-of-way.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

TEMPORARY SPECIAL EVENTS. Activities outside the scope of normal indoor church operations, including but not limited to outdoor amplified sound, festivals, carnivals, concerts, large outdoor gatherings, or other special events that may exceed applicable performance standards, shall not be conducted unless authorized through a Temporary Special Event Permit or an approved amendment to this Conditional Use Permit, as determined by the Director of Development of Services or his/her designee.

COMPLETED
NOT IN COMPLIANCE

COMPLIED BY

CONTINUED COMPLIANCE. The applicant shall maintain compliance with all conditions of approval and applicable provisions of the Hesperia Development Code and Municipal Code. Failure to comply with these conditions, including verified nuisance complaints related to excessive noise, glare, lighting, vibration, dust, odors, or other operational impacts, may result in enforcement action, including the initiation of proceedings to modify or revoke this Conditional Use Permit in accordance with the Hesperia Municipal Code.
