INDEMNIFICATION(1). To the furthest extent allowed by law, Applicant shall indemnify, hold harmless and defend City and each of its officers, officials, employees, consultants, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, damages and costs (including attorney's fees, litigation expenses and administrative record preparation costs) arising from, resulting from, or in connection with any Third Party Action (as hereinafter defined). The term "Third Party Action" collectively means any legal action or other proceeding instituted by (i) a third party or parties, or (ii) a governmental body, agency or official other than the City, that: (a) challenges or contests any or all of these Conditions of Approval or any approval associated with entitlements associated with the project to which these conditions of approval apply (collectively "Approvals"); or (b) claims or alleges a violation of CEQA or another law in connection with the Approvals by the City, or the grant, issuance or approval by the City of any or all Approvals. Applicant's obligations under this paragraph shall apply regardless of whether City or any of its officers, officials, employees, consultants, agents or volunteers are actively or passively negligent, but shall not apply to any loss, liability, fines, penalties forfeitures, costs or damages caused solely by the active negligence or willful misconduct of the City or any of its officers, officials, employees, agents or volunteers. The provisions of this section shall survive any termination, revocation, overturn, or expiration of an approval. (P)

INDEMNIFICATION(2). Nothing in this condition shall obligate the City to defend any claim and the City shall not be required to pay or perform any settlement arising from any such claim unless the City approves the settlement in writing. Additionally, the City shall not be prohibited from independently defending any claim, and whether or not the City does decide to independently defend a claim, the applicant shall be

responsible for City's attorneys' fees, expenses of litigation, and costs for that independent defense, including the costs of preparing any required administrative record. Unless the City independently chooses to defend any Third Party Action on its behalf, Applicant shall control the conduct of the defense of any claim or action provided that: (1) the City shall have the right, prior to filing, to review and approve any and all pleadings or related documents filed with the court in connection with such defense and Applicant shall reimburse the City for review time for each draft brief or pleading to be filed on behalf of the City; and (2) the City shall review and reasonably approve any proposed settlement. The Applicant acknowledges that the City is not obligated to approve a proposed settlement requiring the City to pay or incur any monetary amount, take a future legislative action, render a future quasi-judicial decision, or otherwise take a future discretionary government action. INDEMNIFICATION(3). The City may, at any time, require the applicant to reimburse the City for costs that have been, or which the City reasonably anticipates will be, incurred by the City during the course of processing or defending any Third Party Actions. The City shall provide Applicant with an invoice detailing all reasonable costs incurred. Applicant shall tender to the City payment in full of all reasonable and necessary costs within thirty (30) days from the date upon the invoice. Applicant further acknowledges and agrees that failure to timely tender payment in full to the City shall be considered a breach and non-compliance with the conditions of approval for the project. Applicant shall also be required, upon request of the City, to deposit two month's estimated costs anticipated by the City to be incurred, which may be used by the City as a draw down account to maintain a positive balance pending tender of payment by Applicant as noted herein . MINOR EXCEPTION APPROVAL. Approval of ME26-00002 specifically includes an increase in the maximum permitted fence height within the required front yard setback area from four (4) feet to five (5) feet to allow the construction of a five (5) foot high non-view-obscuring vinyl fence, substantially as shown on the approved site plan. Pursuant to Section R105.2(2) of the California Residential Code (CRC), fences not exceeding seven (7) feet in height are exempt from building permit requirements. Accordingly, a building permit is not required for the proposed five (5) foot high fence. (P)
