CHAPTER 1 – AUTHORITY / ADMINISTRATION

A. GENERAL ADMINISTRATION

The City Council will review and revise the City Council, Commission, & Committee Rules of Procedure ("Policy") annually in January.

During City Council discussions, deliberations, and proceedings, the Mayor has been designated with the primary responsibility to ensure that the City Council, staff and members of the public adhere to the Council's norms and procedures.

Until such time as they are amended or new rules adopted by Resolution, these rules shall prevail to govern the order and conduct of business of the City Council and other legislative bodies that meet concurrently with the City Council, as well as various City Committees, and City Council-established Boards and Commissions. Those City Council established Boards and Commissions that are required by law to adopt rules of procedure shall adopt rules that are consistent with these Rules to the extent possible.

B. AMENDMENT

Any Rules may be adopted, altered, amended, or repealed by Resolution at any time by a majority vote of the Council.

C. SUSPENSION

Any Rules may be temporarily suspended by an affirmative vote of at least three (3) Council Members present.

CHAPTER 2 - GOVERNMENTAL STRUCTURE

A. CITY OF HESPERIA

The **City of Hesperia** is a General Law city organized under the statutes of the State of California and incorporated July 1, 1988. The City is governed by a five-member City Council elected by district to four-year overlapping terms.

Hesperia has the Council-Manager form of government and authority and responsibility for local legislative acts are vested in the Council. The City Council establishes policy; with the City Manager enacting those policies and also having responsibility for managing the day-to-day operations. The Mayor and Council Members are not full-time officials but devote a great amount of time preparing for and attending Council, subcommittee, regional and intergovernmental meetings as well as community events. Responsibilities require attendance during regular business hours, evenings and weekends and Council Members must also be accessible to constituents.

B. HESPERIA WATER DISTRICT

The **Hesperia Water District** was originally formed on March 28, 1975 as a County Water District and was purchased from the Victor Valley County Water District. In 1988, the City of Hesperia was incorporated, and subsequently, the Hesperia Water District was reorganized as a subsidiary district of the City in 1992. The City Council serves as the Hesperia Water District Board of Directors. The District encompasses approximately 74.77 square miles and, as of ~~January 2026~~ ~~December 2024~~, the District was providing water service to ~~28,038~~ 28,492 active connections.

C. HESPERIA FIRE PROTECTION DISTRICT – Annexed to the County in 2018

The **Hesperia Fire Protection District** was originally formed on September 30, 1957 as a County Fire Protection District. Realizing the need for more local control, the Hesperia Fire Protection District reorganized on February 27, 1961 at which time a Board of Directors was elected. In 1975, the Emergency Medical Service program/Paramedic Ambulance service was developed. In 1988, the City of Hesperia was incorporated, and the Fire District became a subsidiary district of the City. In 2004 the City contracted with the County of San Bernardino for fire protection services. The City Council serves as the Hesperia Fire Protection District Board of Directors. On November 1, 2018, the Fire District reorganized to give management of the Fire District to the County of San Bernardino with the City Council functioning only to deal with Obligations for Administration of the CalPERS Legacy Retirement Contract.

D. SUCCESSOR AGENCY TO THE HESPERIA COMMUNITY REDEVELOPMENT AGENCY

The City serves as the **Successor Agency to the Hesperia Community Redevelopment Agency** which was dissolved by the State of California on February 1, 2012.

The Hesperia Community Redevelopment Agency was activated by Council action on November 17, 1988. The City Redevelopment program began with the adoption of the first Redevelopment Plan for Project Area No. 1 in 1993. The Redevelopment Plan for Project Area No. 2 was adopted shortly after, also in 1993. Both Redevelopment Plans

were amended in 1999 making Project Area No. 1 a total of 22,649 acres and Project Area No. 2 a total of 2,920 acres. Members of the City Council also served as the Hesperia Community Redevelopment Agency Board of Directors.

CHAPTER 3 - STATUTORY REQUIREMENTS/REGULATORY GUIDELINES

Certain state laws and other established regulations exist which govern various responsibilities of the City Council. This manual is not intended to duplicate or repeat any existing statutes or regulations. City Council Members are responsible for becoming familiar with these statutes and regulations.

A. THE BROWN ACT

The Ralph M. Brown Act is a law, which provides that all meetings of a legislative body, whether meetings of the City Council, subsidiary districts, or its appointed commissions and committees, shall be open, and public, and all persons shall be permitted to attend. Notices of such meetings must include a brief general description of each item of business and be posted in a location freely accessible to the members of the public 72 hours prior to the meeting. A “meeting” takes place whenever a quorum is present and subject matter related to city business is heard, discussed, or deliberated upon.

The Act makes punishable as a misdemeanor the attendance by a member of the legislative body at a meeting at which action is taken in violation of the Act. Action taken has been defined as a collective decision, commitment or promise by a majority of the members of a legislative body to make a positive or negative decision, or an actual vote by a majority of the members when sitting as a body upon a motion, proposal, resolution, order, or ordinance.

Serial meetings that are conducted through direct communications, intermediaries, or technological devices for the purpose of developing a concurrence as to action to be taken are prohibited by the Act.

In compliance with SB 707, effective January 1, 2026, the Brown Act was amended to expand teleconference flexibility and enhance accessibility requirements.

Effective, January 1, 2026, under Senate Bill 707, legislative bodies are authorized to participate in remote public meetings. Each teleconference location must be identified in the meeting notice and agenda and must be accessible to the public. During the teleconference meeting, at least a quorum of the members of the legislative body will need to participate in person from a single physical location identified on the agenda, open to the public, and located within the boundaries of the territory over which the local agency exercises jurisdiction. Members will need to notify the legislative body as soon as possible, including at the start of a regular meeting of their need to appear remotely for just cause, including a general description of the circumstances relating to their need to appear remotely. It is not required for a member to disclose any medical diagnosis or disability, or any personal medical information. The minutes will identify the specific statutory provision under Senate Bill 707 that each member relied upon to participate remotely, as listed below. (See Gov. Code 54953(b)(c) & 54953.8.3)

- “Just cause” includes: (i) necessary caregiving to a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner; (ii) having a contagious illness, (iii) having a physical or mental condition; (iv) traveling on official business of the legislative body or another state or local agency; (v) having an immunocompromised child, parent, grandparent, grandchild, sibling, spouse, or domestic partner; (vi) having a physical or family medical emergency that prevents a member from attending in person; (vii) having military service

obligations that results in being unable to attend in person due to serving under official written order for active duty, drill, annual training, or any other duty required of the California National Guard or United States Military Reserve organization.

~~Effective January 1, 2023, under Assembly Bill 2449, legislative bodies are authorized to participate in remote public meetings without disclosing or providing access to their non-public teleconference location(s) if at least a quorum meets in person from a single location identified on the agenda. The location must be open to the public and situated within the local agency's jurisdiction. All other members would be able to participate remotely, but only if the agenda provides a brief description (under 20 words) regarding their need to appear remotely at a given meeting or, if the need to participate remotely arose after the agenda was posted, the reason must be disclosed at the start of the meeting. The need must be for just cause or an emergency circumstance.~~

- ~~• "Just cause" includes: (i) necessary caregiving to a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner; (ii) having a contagious illness; (iii) having a physical or mental disability that is not otherwise accommodated; or (iv) traveling on official business of the local agency or another state or local agency. A member of the legislative body who participates remotely for just cause is limited to two such remote meetings per calendar year.~~
- ~~• "Emergency circumstance" includes a physical or family medical emergency that prevents a member from attending in person. A member may request that the legislative body approve their remote participation due to an emergency circumstance. Remote participation due to an emergency circumstance must be approved by the legislative body at each meeting.~~

SB 707 allows for legislative body members to participate by teleconference as a reasonable accommodation for a disability. Remote participation shall be treated as in-person attendance at the physical meeting location for all purposes, including any requirement that a quorum of the legislative body participate from any particular location. Remote participation as a reasonable accommodation for a recognized disability is subject to the following conditions. (See Gov. Code 54953(c)(1))

- Members shall participate using both audio and visual. However, a member with a disability may participate only through audio technology if a physical condition related to the disability results in a need to participate off camera.
- Members shall disclose at the meeting before any action is taken if individuals 18 years of age or older are present in the room at the remote location with the member and general nature of the member's relationship with any of those individuals.

The teleconferencing requirements set forth in Government Code section 54953 do not apply to remote participation that is authorized as a reasonable accommodation for a disability.

A legislative body can hold teleconference meetings during a proclaimed state of emergency or local emergency upon determining whether meeting in person during the emergency would pose imminent health or safety risks or after making that determination that meeting in person would present imminent health or safety risks. If the emergency or local emergency remains active, to continue to teleconference the legislative body must within the 45 days of the first teleconference and every 45 days thereafter, by majority vote reconsider the emergency and circumstances and find the emergency still directly impacts safe-in person meetings.

During this period, the legislative body is not required to provide a physical location for public attendance or comments. The body can elect to use a two-way telephonic service without live webcasting for the meeting. (See Gov. Code 54953.8.2)

CA Gov. Code limits the number of times a Council Member may attend remotely in a calendar year depending on the quantity of regular meetings the body holds. Hesperia City Council members are limited to participating remotely in five (5) meetings per year.

Members participating remotely will be required to (i) use both audio and visual technology during the meeting, and (ii) disclose at the meeting before any action is taken whether any person 18 years or older is present in the room with that member and the general nature of the member's relationship with that person.

~~Additionally, when a meeting is held with remote participation by members of the legislative body, there must also be live video and/or audio stream that also allows members of the public to participate remotely through the audio/visual platform or telephonic service. By July 1, 2026, the legislative body must provide hybrid meetings (in-person plus a teleconference option) for its City Council Meetings. The teleconference option should be a two-way telephonic or audio-visual platform. Prior to July 1, 2026, the legislative body must adopt an open session policy regarding disruption of telephonic or internet service occurring during meetings. The policy shall address the procedures for recessing and reconvening a meeting in the event of a disruption and the efforts the body shall make to attempt to restore the service. In the event of a broadcasting disruption (i.e., disconnection of call in or internet based service option) or other event that prevents members of the public from offering public comments, the legislative body must pause the meeting and take no further action until remote public access to the meeting is restored. This bill will sunset on January 1, 2026. (See Gov. Code 54953.4)~~ Please note; to date, January ~~2026~~ 2025, the City does not yet possess the technological capacity to hold video meetings in Council Chambers.

B. POLITICAL REFORM ACT

The Political Reform Act states that public officials shall perform their duties in an impartial manner, free from bias caused by their own financial interest or the financial interests of persons who have supported them. The Political Reform Act establishes regulations regarding Conflicts of Interests and Campaign Receipts and Expenditures. (See Gov. Code Sections 81000 - 91014)

Specifically, the Act requires City Council Members and other public officials to disclose annually all financial interests that may be affected by decisions made in their official capacity; this includes interests such as investments, real property, and income. Disclosure is made on a form called a "statement of economic interests" (Form 700). The form must be filed each year. Filed forms are public documents that must be made available to anyone who requests them. (See Gov. Code section 81002(c))

Council Members must also disqualify themselves from making or participating in making or influencing any governmental decision that will have a foreseeable material financial effect on any economic interest of the Council Member or certain family members.

Additionally the Political Reform Act requires that cities adopt and implement a separate Conflict of Interest Code that specifies additional 700 form filers consisting of positions within the agency that involves the making or participation in the making of decisions that may foreseeably have a material financial effect on any financial interest and updates the disclosure categories to allow accurate disclosure of economic interests and sources of income and gifts, without violation of privacy rights.

Effective January 1, 2023, Senate Bill 1439 prohibits Council Members from receiving or soliciting certain campaign contributions, requires recusal from certain City Council decisions based on certain campaign contributions, and requires disclosure of certain campaign contributions before such decisions are made by the City Council. Potential/actual campaign contributions for more than \$500, from a party who seeks (or received) a Council decision through a qualifying proceeding, will generally trigger the new law, if received within the 12 months before, or the 12 months after, that Council decision. SB 1439 is nuanced, and its impacts can be dependent upon the factual circumstances. Violations are subject to civil enforcement by the FPPC and potential criminal enforcement. (See Gov. Code Section 84308)

C. CITY OF HESPERIA MUNICIPAL CODE

The Municipal Code consists of those codified ordinances of general municipal regulations and laws, as well as the City of Hesperia Development Code and is available on the City's website. The Office of the City Clerk maintains the Municipal Code.

Any legislation enacted by federal or state law which would delete and / or amend any statutory regulatory requirement included within this manual shall automatically be incorporated into the Procedures Manual without prior City Council action.

CHAPTER 4 - COUNCIL ORGANIZATION AND DUTIES

A. NEWLY ELECTED MEMBERS

Newly elected Council Members are sworn into office at the first regular Council meeting in December following a regular municipal election. Immediately upon election (even before being sworn into office), newly elected Council Members are subject to the provisions of the Brown Act.

B. DUTIES OF THE CITY COUNCIL

City Council members and City staff shall conduct the business of the City of Hesperia:

- Recognizing that the stewardship of the public interest must be of primary concern;
- Working for the common good of the people of Hesperia; and
- Assuring fair and equal treatment of all persons, claims and transactions coming before the City Council, City Council Committees, and City Council established Boards and Commissions (legislative bodies).

C. DUTIES OF THE MAYOR AND MAYOR PRO TEM

The Mayor shall be:

- Appointed from members of the City Council by a majority vote at its first meeting in December annually;
- The presiding officer at all meetings of the Council;
- Responsible for the control, debate, and order of speakers;
- Referred to as “Chair” when acting as presiding officer of any legislative body meetings other than Council;
- The representative of the City Council at ceremonial functions and may, at his/her own discretion, ask another Council Member to represent the Council at the function; and
- Entitled to make and second motions on matters before the City Council and vote on actions, but shall possess no veto power over actions of the City Council.

The Mayor Pro Tem shall:

- Be appointed from members of the City Council by a majority vote at its first meeting in December annually; and
- In the absence of the Mayor from the City or a City Council meeting, assume the duties of the Mayor.

In the event the Mayor and Mayor Pro Tem are absent, the City Council may appoint one of its Members to serve as Mayor Pro Tem. Should the Mayor become incapacitated, or is otherwise unable to serve as Mayor, the Mayor Pro Tem shall immediately become the new Mayor with a new Mayor Pro Tem subject to appointment by the Council at a subsequent meeting. In the event of a tie vote for the appointment of a new Mayor Pro Tem, the new Mayor shall appoint the Mayor Pro Tem.

D. MEETING ATTENDANCE BY PUBLIC OFFICIALS

It is important that all City Council Members commit to attending meetings to ensure that the business of the City can be conducted effectively and to ensure fairness to the public, other Council Members, and staff that attend the meetings.

CA Government Code § 36513 states that if a City Council Member is absent without permission from all regular City Council meetings for 60 days consecutively from the last regular meeting s/he attended, his/her office becomes vacant and shall be filled as any other vacancy.

E. USE OF PUBLIC PROPERTY

City stationery, technology and/or staff support shall not be used for personal or campaign purposes. Council Member use of the City telephone and computer systems is subject to all City guidelines concerning use of such systems.

F. USE OF COUNCIL CHAMBERS

The City Clerk's office is responsible for maintaining a calendar on the use of the Council Chambers, as well as the Hesperia Library's community room. Use of the Council Chambers by a City commission, board, and/or other advisory bodies shall take precedence over any other group or agency.

CHAPTER 5 – COMMITTEES / COMMISSIONS / ADVISORY COMMITTEES

A. APPOINTMENT TO OUTSIDE COMMITTEES

Council Members are requested to serve on various boards and committees for outside agencies. Any Council Member desiring to serve on a certain committee (or who desires not to be considered) should inform the Mayor. These appointments are subject to approval by the majority of the Council. Appointments are generally made at the second meeting in December.

Council Members will provide to the City Council periodic updates and reports on meetings and actions of the agencies on which they serve, in order to provide information to the City Council, and/or seek City Council guidance where City Council has representation on various committees and commissions, joint powers authorities and other organizations (“agencies”). Whenever practicable, Council Members appointed to an outside agency as the City’s representative shall advise the Council at a regularly scheduled Council meeting of any major issues under consideration by an outside agency prior to the time that agency votes on the item. “Major issues” include, but are not limited to a proposal that would have a significant adverse fiscal or economic impact on the City of Hesperia or its citizens. The City Council may at that time provide direction as to the position of the City on the issue at hand.

While serving as the governing board members of outside agencies, City Council Members shall not vote in favor of establishing or increasing salary and benefit agreements for the staff of those respective outside agencies which would result in compensation that is greater than the salary and benefit agreements approved by the City Council for the employees of the City of Hesperia and subsidiary districts. The total compensation package for the outside agency should be largely equivalent to City of Hesperia employees but does not have to be identical.

B. CITY COMMISSION / ADVISORY COMMITTEE APPOINTMENTS

1. General

All commissions and committees are governed by the Ralph M. Brown Act and all meetings shall be noticed and conducted accordingly.

The City Clerk shall maintain a list of all committee appointments/terms and solicit applications for vacancies in accordance with state law or City procedures.

The Council may disband any commission, board or advisory body provided state law does not prohibit such action.

Members of the City Council should not attempt to influence or publicly criticize commission or board recommendations, or to influence or lobby individual commission or board members on any item under their consideration. It is important for commissions and boards to be able to make objective recommendations to the City Council on items before them.

Planning Commission and City Council Advisory Committee Appointees may not serve concurrent terms on any Commission or Committee.

2. Planning Commission

The Planning Commission serves as not only an advisory body, but as a regulatory body, having authority to make final determinations in applicable circumstances. The Planning Commission was established by ordinance (Ord. 146 § 1, 1992) and outlined in the Municipal Code (HMC Chapter 2.16 and Ord. 2005-01).

The Planning Commission consists of five members who are appointed at-will, reside within the City and/or its designated spheres., and be a United States Citizen as evidenced by proof of current voter registration status for the City of Hesperia or within its sphere of influence. Each Council Member shall appoint a member to the Planning Commission. Each individually appointed member shall be introduced by the appointing Council Member at a regularly scheduled City Council meeting prior to such member taking office.

The term of each individually appointed Planning Commission Member shall commence upon appointment and shall terminate thirty (30) days after the expiration of each respective appointing Council Member's term subject to reappointment.

The appointing Council Member may remove a Commission Member from service at any time with subsequent notification to the City Council.

3. Advisory Committees

Committees serve as advisory bodies to facilitate public input and citizen participation in the determination of public policies. This is accomplished by formulating recommended courses of action and policy and forwarding them to the City Council with whom final determination rests. Advisory Boards are established by Council Resolution and members shall serve terms that are at-large, at-will and at the pleasure of the City Council until removed from the Committee as provided by resolution. Members must be 18 years of age, a resident of California, and reside within the City limits and/or its designated spheres to serve on an Advisory Committee. There is currently one Advisory Board; the City Council Advisory Committee. The City Council will determine the work programs of the Advisory Committees and may designate Advisory Committees to serve as a board of appeals as appropriate. All findings and recommendations from any Committee are forwarded to the City Council for a final decision. Training will be provided for Advisory Committee Members when they are requested to perform duties outside of routine Committee function.

The term of each individually appointed Committee Member shall commence upon appointment and shall terminate thirty (30) days after the expiration of each respective appointing Council Member's term subject to reappointment.

The appointing Council Member may remove a Committee Member from service at any time with subsequent notification to the City Council.

CHAPTER 8 - MEETING GUIDELINES & PROCEDURES

A. GENERAL

The Council acts as a body and policy is established by majority vote. A decision of the majority binds the Council to a course of action. No Council Member has any extraordinary powers beyond those of other members and all members have equal votes.

The Council shall follow the guidelines provided in Rosenberg's Rules of Order, as outlined under Section E. Parliamentary Procedures below, to govern the procedural conduct of City Council Meetings. However, if there is any conflict between Rosenberg's Rules of Order and this Policy, the terms of this Policy shall control.

Action by the City Council shall be taken by means of ordinance, resolution, or oral motion duly made and passed by the majority (unless otherwise provided in state law).

Public actions of the City Council shall be recorded in the minutes of any meeting of the Council. Resolutions shall also be recorded separately, serially numbered, and filed sequentially in the office of the City Clerk. Ordinances shall also be separately recorded, codified in the Municipal Code, and so remain until amended or voided.

The City Council cannot take action on items not included on the posted agenda except as provided for emergency or urgent items as provided in the Brown Act.

A tie vote is considered as "no action" by the City Council and the item will automatically be brought back before the City Council at the next meeting at which the full membership of the Council is present.

B. REQUIREMENTS FOR AGENDA ITEM SUBMISSION

Members may submit items for inclusion on a future agenda by orally making the request under Council Comments. Items requested that are informational only will be generally answered in memo form and provided to all City Council Members.

Any items requested to be agendaized that require significant expense to the City in either staff time or monetary expenditures will require a majority vote of the City Council to be agendaized.

Item requests on topics that have been acted on or discussed by the City Council during the previous three years will require a simple majority of the City Council to add to a future agenda.

Department directors, subject to the discretion of the City Manager, may submit staff reports or descriptions of oral reports to the City Clerk for placement on the agenda.

Outside agencies may submit agenda items in accordance with the following:

1. Items from outside agencies must be sponsored for agenda placement by a Council Member or department directors; and
2. All agenda items must be submitted in accordance with the agenda packet submission and preparation requirements.

C. DECLARATION OF POLICY

No ordinance, resolution, motion, or item of business shall be introduced or acted upon at a meeting of the City Council without it appearing on a duly noticed and posted agenda in accordance with the Brown Act, exceptions to this rule are limited to those provided by state law.

No ordinance, resolution, motion, or item of business will be considered which does not affect the conduct of the business of the City of Hesperia, its subsidiary districts, or its corporate powers or duties as a municipal corporation.

D. AGENDA FORMAT

1. Presentations

Special presentations may be scheduled as necessary in recognition of persons or groups, or for the promotion of an event or service. Requests for special presentations must be submitted to the City Clerk in writing in advance of the agenda deadline.

2. Public Comment

Pursuant to the Brown Act, public comment will be allowed on items on the Council agenda at the time each item is considered. At the beginning of the agenda under Oral Communications, public comments will also be allowed on items not on the agenda but within the jurisdiction of the City Council. Public comments are limited to no more than three (3) minutes each. Individuals desiring to speak are encouraged to submit a request to speak form to the City Clerk prior to the meeting. Speakers shall not concede any part of their allotted time to another speaker.

The City Council may not deliberate or take action on any request/item brought before them during Public Comment/Oral Communications. The Council may ask clarifying questions and refer the request/item to staff for follow-up or to be agendaized for a future meeting.

Members of the City Council are discouraged from engaging in debate with a member of the public at Council meetings since these debates seldom resolve concerns and many times inflame feelings at a public meeting.

The Brown Act permits the clearing of the Council Chamber in the event any meeting is willfully disturbed.

3. Consent Items

Those items on the Council agenda, which are considered to be of a routine and non-controversial nature by the City Manager including draft minutes, warrant runs, and routine contracts shall be listed on the "Consent Calendar." These items shall be approved, adopted, accepted, etc. by one motion and vote of the City Council. - b. the Mayor opens the public hearing;
- c. the applicant/appellant has the opportunity to present his/her comments, testimony, or arguments, adequate time must be allotted for the applicant or appellant to present his/her case (the Mayor may ask the applicant/appellant in advance the amount of time needed in order to better control the time);
- d. members of the public may present their comments subject to established time limits (five [5] minutes);
- e. the Mayor closes the public hearing after everyone wishing to speak has had the opportunity to do so; and
- f. Council proceeds with discussion and makes a final decision.

5. Ordinances

Ordinances are the laws of a municipality and city councils are given the power to pass ordinances as long as they are not in conflict with the laws and the Constitution of the State of California or the United States. An ordinance is the most binding form of action taken by the City Council.

Approval of an ordinance requires a first and second reading, with at least five days between same, except in the case of an urgency ordinance. With few exceptions, ordinances take effect 30 days after final passage. Once adopted, the City Clerk's Office is responsible for publishing a summary of the ordinance and posting at established public places, which include City Hall, the City Library, and the City Website.

The City Council may approve the reading of the title of all ordinances and waive the text when placing an ordinance on first reading. Second readings of ordinances may be placed on the Consent Calendar for adoption.

6. New Business

New business contains items which have not been previously discussed, require City Council direction or are considered controversial.

7. City Council Reports/Committee Reports

The City Council Reports portion of the meeting provides Council Members the opportunity to briefly comment on Council business, City operations, City projects and other items of community interest. Council Members are also given the opportunity to update the full Council on activities of outside committees/agencies that they serve as representatives of the Council during Committee Reports portion of the meeting. Council Members should govern themselves as to the length of their comments.

A full transcript of Rosenberg's Rules of Order is available in the City Clerk's Office upon request.

A. Items for Discussion

Any items listed on the agenda are available for discussion by the Council. However, new business and public hearing items require a separate discussion and vote for each item. If a Council Member must recuse themselves from discussion of an item due to a financial interest in the item being considered, it must be disclosed immediately prior to consideration of the item. If the Council Member leaves the meeting prior to the agenda item being discussed they are required to publicly identify the agenda item and the financial interest prior to leaving the meeting. If the Council Member joins the meeting after consideration of the item, the Council Member must publicly identify the agenda item and the financial interest immediately upon joining the meeting.

1. The Mayor is responsible for announcing each agenda item for discussion;
2. The Mayor asks the Council if there are any clarifying questions of staff;
3. After Council questions, the Mayor asks for public comment;
4. After public comment, the Mayor invites a motion and a second from the Council;

- ii. A motion to recess requires the Council to take a brief recess of time specified by the Mayor;
- iii. A motion to fix the time to adjourn, adjourns the meeting to a specific date and time; and
- iv. A motion to table puts the agenda item on hold until a future meeting, this can be a specified time or a date to be determined.

A motion to withdraw can be made by the Council Member who proposed the motion. The motion is immediately deemed withdrawn and the Mayor may ask if any member of the Council wishes to move the motion.

CHAPTER 9 – PLANNING COMMISSION

The City Council will review and revise the City Council, Commission, & Committee Rules of Procedure (“Policy”) annually in January.

D. THE BROWN ACT

The Ralph M. Brown Act is a law which provides that all meetings of a legislative body, whether meetings of the City Council, subsidiary districts, or its appointed commissions and committees, shall be open and public, and all persons shall be permitted to attend. The Act makes punishable as a misdemeanor the attendance by a member of the legislative body at a meeting at which action is taken in violation of the Act. Action taken has been defined as a collective decision, commitment or promise by a majority of the members of a legislative body to make a positive or negative decision, or an actual vote by a majority of the members when sitting as a body upon a motion, proposal, resolution, order, or ordinance.

Serial meetings that are conducted through direct communications, intermediaries, or technological devices for the purpose of developing a concurrence as to action to be taken are prohibited by the Act.

E. POLITICAL REFORM ACT

The Political Reform Act states that public officials shall perform their duties in an impartial manner, free from bias caused by their own financial interest or the financial interests of persons who have supported them. The Political Reform Act establishes regulations regarding Conflicts of Interests. (See Gov. Code Sections 81000 - 91014)

Specifically, the Act requires Planning Commissioners to annually disclose all financial interests that may be affected by decisions made in their official capacity; this includes interests such as investments, real property, and income. Disclosure is made on a form called a "statement of economic interests" (Form 700). The form must be filed each year. Filed forms are public documents that must be made available to anyone who requests them. (See Gov. Code section 81002(c))

Planning Commissioners must also disqualify themselves from making or participating in making or influencing any governmental decision that will have a foreseeable material financial effect on any economic interest of the Commission Member or certain family members.

- i. A motion to adjourn requires an immediate adjournment to the next regularly scheduled meeting;
- ii. A motion to recess requires the Committee to take a brief recess of time specified by the Chair;
- iii. A motion to fix the time to adjourn, adjourns the meeting to a specific date and time; and
- iv. A motion to table puts the agenda item on hold until a future meeting, this can be a specified time or a date to be determined.

A motion to withdraw can be made by the Committee Member who proposed the motion. The motion is immediately deemed withdrawn and the Chair may ask if any member of the Committee wishes to move the motion.
