Register to Speak at a City Council Meeting

If you plan to speak during a City Council meeting, you may register in advance using the electronic speaker registration form.

Important:

In Person Speakers: Pre-registration is **optional**. You may also complete a speaker card at the meeting before the public comment period begins.

Remote Speakers: Pre-registration is **required**. If you do not register and only dial into the meeting phone number, you will only be able to listen to the meeting and will not be called to speak.

To participate remotely, please access the [City Speaker Registration Portal](#) on the City website to register to speak at upcoming City Council meetings. Select an agenda item or choose general public comment. After you register, we'll send you an email with next steps and speaking instructions. The phone number you enter on the registration form must match the phone number you use to call into the meeting. If the numbers do not match, you may not appear in the speaker queue.

How to Request to Speak

1. Go to <https://publicinput.hesperiacalifornia.gov/>
2. Click **Register** button below for the upcoming meeting.
3. Complete the speaker registration form.

4. Select **In Person (attending meeting in person)** or **Virtually**.
5. Select the agenda item you want to speak on or choose **Non-Agenda Public Comment**.
6. Submit your form. You'll receive a confirmation email with meeting instructions and next steps.
7. Please use the phone number and meeting code provided in the email, call into the meeting and join the speaker queue.
8. If you wish to speak on multiple items, you may remain connected to the meeting. There is no need to hang up and dial back in.

On the Day of the Meeting

- **In Person:** Head to the podium when called to speak and stay within the speaking time limit.
- **By Phone:** Call the number in your confirmation email. Once connected, you will be able to listen to the meeting live as it progresses. You'll be prompted when it's your turn to speak.

Please note: Calling into the meeting without completing the registration form will allow you to listen only and not participate in public comment.

The public may view the City Council meetings live or after the event on the City's website at www.hesperiacalifornia.gov

City of Hesperia STAFF REPORT

DATE: July 21, 2026

TO: Mayor and Council Members
Chair and Board Members, Hesperia Water District

FROM: Rachel Molina, City Manager

BY: Cassandra Sanchez, Director of Public Works/City Engineer
Tina Souza, Senior Project Manager
Deanna Lestina, Project Manager

SUBJECT: Acceptance of 2025 December Adverse Weather Emergency Repairs: Ranchero Rd. & Primrose and Maple & Muscatel Basin

RECOMMENDED ACTION

It is recommended that the City Council and Board of Directors of the Hesperia Water District:

1. Accept the completed 2025 December Adverse Weather Emergency Road Repairs: Ranchero Rd. & Primrose and 2025 December Adverse Weather Emergency Maple & Muscatel Basin;
2. Authorize staff to record a Notice of Completion for each project; and
3. Authorize the release of all withheld retention amounts no sooner than thirty (30) calendar days following the date of recordation.

BACKGROUND

On December 23, 2025, a significant storm event brought unprecedented rainfall to the City of Hesperia and the surrounding High Desert region, with some areas receiving over 7.5 inches of rain. This event resulted in widespread flooding and extensive damage throughout the City.

On December 26, 2025, the City's Director of Emergency Services issued a local emergency declaration (Resolution No. 2025-051), which was subsequently ratified by the City Council on December 29, 2025.

To expedite the City's emergency response and protect public health, safety, and welfare, staff streamlined procurement procedures to advance critical repair work. This effort resulted in the subject emergency projects. The Projects included the following repairs below:

- 2025 December Adverse Weather Emergency Road Repairs, Ranchero Rd. & Primrose included asphalt pavement reconstruction and shoulder repair on Ranchero Rd.
- 2025 December Adverse Weather Emergency Maple & Muscatel Basin included the removal of sediment and debris to restore the basin and the repair of the existing fencing.

On April 7, 2026, City Council and the Board of Directors ratified emergency purchases and amended the Fiscal Year 2025-26 Budget by Resolution No. 2026-18 and 2026-03, respectively, in response to the recovery efforts.

ISSUES/ANALYSIS

Expenditures for the subject projects were included in the ratification and budget amendment of April 7th. Construction for the projects was completed in May 2026. Total expenditures for each emergency repair project were as follows:

Description	Amount
2025 December Adverse Weather Emergency Road Repairs, Ranchero Rd. & Primrose	\$70,510
2025 December Adverse Weather Emergency Maple & Muscatel Basin	\$210,000

Upon acceptance of the Projects, staff will record a Notice of Completion for each project. In accordance with applicable requirements, retention funds will be released no sooner than thirty (30) calendar days following recordation.

Following City Council acceptance, each project will be covered by a one-year warranty period.

2. Authorize staff to record a Notice of Completion; and
3. Authorize the release of all withheld retention amounts no sooner than thirty (30) calendar days following the date of recordation.

BACKGROUND

On April 21, 2026, the City Council awarded the FY 2024-25 CDBG Street Improvements (Project) construction contract to Sully Miller Contracting Company in the amount of \$373,890, including contingency. The Project consisted of the reconstruction of the existing roadway along Live Oak Street, between Maple Avenue and Cottonwood Avenue. The project removed existing asphalt and placed new asphalt to restore the roadway surface.

ISSUES/ANALYSIS

All construction work was completed in May 2026 with a total expenditure amount of \$288,732. Upon acceptance of the Project, a Notice of Completion will be recorded, and the retention held by the City will be released after a minimum of thirty (30) days from the date of recordation. Upon City Council acceptance, the project will be under a one-year warranty.

City of Hesperia STAFF REPORT

DATE: July 21, 2026

TO: Mayor and Council Members
Chair and Board Members, Water District

FROM: Rachel Molina, City Manager

BY: Cassandra Sanchez, Director of Public Works / City Engineer
Brian Blackwell, Streets Operation Manager

SUBJECT: Award of Contract for Landscape Maintenance and Repair

RECOMMENDED ACTION

It is recommended that the City Council and Board of Directors of the Water District authorize the City Manager to enter into a (3) three-year contract with Lasting Images Landscape in an amount of \$406,092 for routine landscape maintenance, and an additional 10% (\$40,609) for anticipated repairs and plant replacement over the (3) three-years, for a total not-to-exceed amount of \$446,701.

BACKGROUND

Landscaping helps to improve the appearance of City amenities and the look of the surrounding community. Funds are allocated annually for the purpose of contracting landscape maintenance and repair services to maintain City facility landscaping. Without regularly scheduled landscape maintenance and repair, existing landscaping would fall into disrepair. Landscape maintenance and repair are performed on a regular basis across all City facilities, township common areas, the Park n' Ride, and Eighth Street Paseo.

ISSUES/ANALYSIS

To continue maintenance and repair of the City's existing facility landscaping through Fiscal Year (FY) 2028-29, the City prepared a formal bid RFB-2025-26-020 that was released on May 6, 2026, and closed on May 20, 2026. Bidders were asked to provide a cost for both monthly maintenance and an hourly rate and material mark-up for repairs and plant replacement, as needed. The City received the following one (1) bid:

Bidder	(3) Year Maintenance	Hourly Repair Rate	Material Mark Up
Lasting Images	\$406,092	\$39.50	10%

Upon review of the submitted bid, Lasting Images Landscape was deemed the lowest responsible/responsive bidder for landscaping maintenance and repair services.

SUBJECT: Acceptance of the Maple Avenue Sewer Line Replacement, C.O. No. 9018

RECOMMENDED ACTION

It is recommended that the City Council and Board of Directors of the Hesperia Water District:

1. Accept the completed Maple Sewer Line Replacement project, Construction Order No. (C.O.) 9018;
2. Authorize staff to record a Notice of Completion; and
3. Authorize the release of all withheld retention amounts no sooner than thirty (30) calendar days following the date of recordation.

BACKGROUND

On May 20, 2025, the City Council awarded the Maple Avenue Sewer Line Replacement (Project) construction contract to CEM Construction in the amount of \$1,497,320, including contingency.

The Project consisted of replacing approximately 0.5 miles of 12-inch sewer trunk line within Maple Avenue between Sultana Street and Yucca Street, as well as the reconnection of existing sewer laterals to the new sewer main and abandonment of the existing sewer line. The existing sewer line exhibited sagging in several areas, resulting in reduced gravity flow, the accumulation of water and solids within the line, and diminished system capacity.

ISSUES/ANALYSIS

Construction is complete, and the project is ready for acceptance with a total expenditure amount of \$1,489,660. Upon acceptance of the Project, a Notice of Completion will be recorded, and the retention held by the City will be released after a minimum of thirty (30) days from the date of recordation. Upon City Council acceptance, the project will be under a one-year warranty.

SUBJECT: Recycled Water Master Plan – Water Recycling Funding Program Grant Application

RECOMMENDED ACTION

It is recommended that the City Council and Board of Directors of the Hesperia Water District Adopt Joint Resolution No. 2026-34 and Hesperia Water District Resolution No. 2026-13 concurrently:

1. Approving submission of a grant application for a Water Recycling Funding Program (WRFP) planning grant from the State Water Resources Control Board for development of the Recycled Water Master Plan (RWMP);
2. Accepting the WRFP grant, if awarded, in an amount not to exceed \$150,000; and
3. Authorizing the City Manager or designee to execute the grant application and, if awarded, the Financial Assistance Application (Agreement), along with all other grant-related documents, agreements, and amendments as necessary to implement and administer the grant.

BACKGROUND

The Hesperia Water District (District) relies solely on groundwater from the Mojave River Groundwater Basin and faces long-term water supply challenges due to climate change, reduced precipitation, and uncertainty surrounding imported water deliveries from the State Water Project.

The District currently receives recycled water from the Victor Valley Wastewater Reclamation Authority's Hesperia Subregional Water Recycling Facility, which has the capacity to produce one million gallons per day of tertiary treated water. Recycled water currently accounts for less than 1% of the District's total supply.

To support and expand recycled water use, evaluate Indirect Potable Reuse (IPR), and reduce dependence on imported water, the District proposes to prepare a Recycled Water Master Plan (RWMP) consistent with the State Water Resources Control Board's Water Recycling Funding Program (WRFP) guidelines.

ISSUES/ANALYSIS

The RWMP will provide a comprehensive evaluation of the District's recycled water system by assessing the current system performance, wastewater and recycled water system constraints,

and future capacity needs. In addition, the RWMP will identify opportunities to improve long-term water supply reliability and recycled water expansion opportunities.

The RWMP will also analyze non-potable recycled water markets, wastewater system optimization, treatment and regulatory trends, and future opportunities for IPR and Direct Potable Reuse.

The District's previous RWMP was completed in 2008. Since that time, the City has experienced significant changes in development, population, usage, water demands, regulatory requirements, infrastructure conditions, and long-term planning priorities. Updating the RWMP will ensure future capital improvements and recycled water expansion strategies reflect current conditions and State requirements. Without an updated RWMP, the District's ability to expand recycled water service, pursue future grant opportunities, and reduce reliance on imported water may be limited. Preparing the RWMP through the WRFP reduces local costs by providing a 50% funding match up to \$150,000.

The project budget includes preparation of a recycled water market assessment, evaluation of wastewater and recycled water alternatives, recommended project improvements, planning-level cost estimates, and preparation of draft and final RWMP report.

CITY GOAL SUPPORTED BY THIS ITEM

Capital Improvement - Continually evaluate capital improvement priorities.

FISCAL IMPACT

Funding for the project is budgeted in the Fiscal Year 2026-27 Operating Budget under Fund 700. If awarded, grant funds will offset eligible project costs. The WRFP provides a 50% cost share by matching District expenditures dollar-for-dollar up to \$150,000. Any project costs exceeding the grant amount will be the responsibility of the District.

ALTERNATIVE(S)

1. Fund the RWMP entirely with District funds.
2. Provide alternative direction to staff.

ACCEPTANCE OF A WATER RECYCLING FUNDING PROGRAM GRANT FOR
THE RECYCLED WATER MASTER PLAN, IF AWARDED.**

WHEREAS, the City of Hesperia (City) through the Hesperia Water District (District), maintains and operates its own water distribution system and recycled water system; and

WHEREAS, the City desires to expand the beneficial reuse of recycled water from the Victor Valley Wastewater Reclamation Authority's (VWVRA) Hesperia Subregional Facility, which the VWVRA owns, in order to utilize additional recycled water; and

WHEREAS, the City intends to develop a Recycled Water Master Plan (RWMP) to evaluate the District's potable and recycled water system; and

WHEREAS, the State Water Resources Control Board has implemented the Water Recycling Funding Program (WRFP) to provide technical and financial assistance to local agencies in support of water recycling projects; and

WHEREAS, the District has determined that the RWMP is qualified for the WRFP grant; and

WHEREAS, the City will be participating in the WRFP grant by submitting an application for grant funding in an amount up to \$150,000 to help offset the costs associated with the preparation of the RWMP, which will help identify future recycled water projects; and

WHEREAS, the WRFP grant application process requires the City Manager, or designee, to submit a Resolution authorizing the application for the WRFP grant as well as authorizing the City Manager, or their designee, to sign and file a Financial Assistance Application (Agreement) as outlined in the WRFP guideline.

NOW THEREFORE, BE IT RESOLVED BY THE CITY OF HESPERIA CITY COUNCIL AND BOARD OF DIRECTORS OF THE HESPERIA WATER DISTRICT AS FOLLOWS:

Section 1. The City Manager, or designee, is hereby authorized to submit an application for grant funding, and if awarded, accept the grant, sign and file a Financial Assistance Application for a grant agreement from the California State Water Resources Control Board's (SWRCB) Water Recycling Funding Program for the RWMP in an amount up to \$150,000, for and on behalf of the City and District.

Section 2. The City Manager, or designee, is designated to provide the assurances, certifications, and commitments required for the Financial Assistance Application, including executing a Financial Assistance Agreement with the State Water Resources Control Board, and any amendments or changes thereto.

- Section 3. The City Manager, or their designee, is designated to represent the City in carrying out the City's responsibilities under the grant agreement, including certifying disbursement requests on behalf of the City and HWD and compliance with applicable state and federal laws. City's responsibilities are to complete a Draft RWMP report, conduct a Mid-Course Meeting and complete a Final RWMP report. The Draft RWMP report and Final RWMP Report RWMP must analyze all feasible project alternatives and recommend a project or determine that a water recycling project is not feasible. The Final RWMP report must address comments provided by SWRCB Division of Financial Assistance staff provided as a part of the review of the Draft RWMP Report.
- Section 4. The City Manager, Director of Finance, Director of Public Works/City Engineer or their designees, are authorized to make such other revisions, individual appropriation line-items, changes in summaries, fund totals, grand totals, and other portions of the budget document as necessary to reflect and implement the changes specified in this resolution relating to the herein grant application and Financial Assistance Application for grant agreement from the California State Water Resources Control Board's Water Recycling Funding Program.
- Section 5. That City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

ADOPTED AND APPROVED this 21st day of July 2026.

SUBJECT: Award Professional Services Agreements for On-Call Geotechnical Engineering and Materials Testing Services

RECOMMENDED ACTION

It is recommended that the City Council and Board of Directors of the Hesperia Water District:

1. Award five (5) Professional Services Agreements (PSAs) to Converse Consultants, Geocon West, Inc., Certerra RMA Group, Fenagh Engineering and Testing, Inc., and NV5, Inc. for on-call geotechnical engineering and material testing services, each for the not-to-exceed amount of \$200,000, with a term of three (3) years.
2. Authorize City Manager or designee to execute the agreements and any documents related thereto.

BACKGROUND

Geotechnical engineering and materials testing services are essential components of many City and Hesperia Water District capital improvement and maintenance projects, including street improvements, water and sewer pipeline construction, drainage improvements, and other public infrastructure projects. These services are required throughout the life of a project, including preliminary engineering, design, and construction. In addition, geotechnical services may be required on an emergency basis for trench failures, unforeseen subsurface conditions, or urgent Water District pipeline repairs.

The procurement process for professional engineering services typically requires approximately three to four months to complete. Soliciting a separate Request for Qualification (RFQ) or Request for Proposal (RFP) for each individual project would delay project delivery, increase administrative costs, and reduce staff efficiency. Establishing on-call agreements allows the City and Water District to obtain qualified professional services as needed, reducing procurement time and facilitating timely project implementation.

The City previously utilized on-call geotechnical engineering agreements during FY 2020-21 through FY 2025-26. These agreements proved to be an efficient and cost-effective procurement method by reducing contract administration, accelerating project delivery, and providing timely access to specialized engineering services when needed.

Several projects included in the FY 2026-27 Capital Improvement Program (CIP), as well as future CIP projects, are anticipated to require geotechnical engineering and materials testing services throughout various phases of design and construction.

ISSUES/ANALYSIS

In accordance with the California Public Contract Code, contracts for professional engineering services are awarded based on demonstrated qualifications rather than lowest cost. Accordingly, staff issued a Request for Qualifications (RFQ) for on-call geotechnical engineering and materials testing services through a formal competitive qualifications-based selection process.

Fifteen (15) Statements of Qualifications were received, of which one (1) submittal was determined to be non-responsive due to failure to acknowledge and comply with the required RFQ addendum. The remaining fourteen (14) responsive firms were evaluated by a staff review panel using criteria established in the RFQ, including firm qualifications, technical expertise, project experience, staffing, and overall approach to providing the requested services.

Based on the evaluation results, the review panel ranked Converse Consultants, Geocon West, Inc., Certerra RMA Group, Fenagh Engineering and Testing, Inc., and NV5, Inc. as the five highest-qualified firms and recommends awarding on-call Professional Services Agreements to each firm.

Each agreement will be established with a not-to-exceed amount of \$200,000 over a three-year term. Individual task orders will be issued only as needed, and there is no guarantee that the full contract amount will be expended. Work will be authorized on a project-by-project basis and only when funding has been identified and approved through the applicable Operating Budget or Capital Improvement Program (CIP). These baseline PSA amounts may not be sufficient to see certain projects through the construction phase. Should the need to increase the PSA amounts arise as the projects progress, staff will return to Council.

The use of multiple on-call consultants provides the City and Water District with flexibility to assign work based on project schedules, specialized expertise, consultant availability, and workload, ensuring projects can proceed efficiently while maintaining continuity of service.

CITY GOAL SUPPORTED BY THIS ITEM

Capital Improvement – Continually evaluate capital improvement priorities.

FISCAL IMPACT

Funding for various projects is budgeted in the FY 2026-27 Operating Budget or CIP under the respective project. Subsequent fiscal year's Operating Budget or CIP will include adequate appropriation authority for services needed on a project-by-project basis.

TO: Mayor and Council Members

FROM: Rachel Molina, City Manager

BY: Melinda Sayre, Deputy City Manager/City Clerk
Tammy Pelayes, Assistant to the City Manager

SUBJECT: Townsend Public Affairs Contract Amendment

RECOMMENDED ACTION

It is recommended that the City Council authorize the City Manager to approve an amendment to the existing contract with Townsend Public Affairs (TPA) for an additional \$96,000, for a revised not-to-exceed contract amount of \$360,000, and approve a one-year contract extension for State and Federal Legislative Advocacy services.

BACKGROUND

The City has contracted with state legislative advocacy firm Townsend Public Affairs (TPA) since October 2013. TPA acts as the City's liaison with the California Legislature and Administration in Sacramento, advocating for the City's position on legislative, regulatory, and programmatic matters of interest, in addition to facilitating meetings with various agencies such as the State Water Resources Control Board, California Department of Parks and Recreation, California Transportation Commission, and Department of Water Resources to discuss funding opportunities and grant programs. The City has benefited from their presence in Sacramento and Washington, DC, due to the strong working relationships with the Legislature and federal and state agencies by communicating and broadening the understanding of the City's priorities and needs.

ISSUES/ANALYSIS

Over the years, TPA has met with City staff on several occasions to discuss specific legislative issues and potential grant projects. In addition, the City is regularly updated on legislative matters and activity in Sacramento and Washington, DC, including assisting in monitoring and tracking the progress of specific legislation and attending legislative hearings before various Senate and Assembly committees on the City's behalf. TPA staff has been instrumental in submitting federal funding requests and receiving \$1 million for the Escondido/Sultana traffic signal, \$2 million for the Maple Avenue street improvement project, \$2 million for the Cedar street improvement project, \$1.5 million from the Department of Transportation's Safe Streets for All Program, and \$2 million for the Ranchero Road Corridor Phase IV Project.

CITY GOAL SUPPORTED BY THIS ITEM

Future Development - Facilitate balanced growth to ensure cohesive community development and pursue economic development.

FISCAL IMPACT

Funding has been included in the proposed FY 2026-27 budget for State Legislative and Federal Funding Advocacy Services.

Tammy Pelayes, Assistant to the City Manager

SUBJECT: Authorize Submittal of Applications for CalRecycle Grants

RECOMMENDED ACTION

It is recommended that the City Council adopt Resolution No. 2026-037 authorizing the submission of applications for all Department of Resources, Recycling, and Recovery (CalRecycle) grants for which the City is eligible for five (5) years from the date of adoption of this resolution.

BACKGROUND

CalRecycle offers various funding and grant opportunities to jurisdictions throughout the state in furtherance of the statewide goals of reducing, reusing, and recycling solid waste generated, thereby preserving landfill capacity and protecting public health, safety, and the environment. Grant funding is essential in meeting the City of Hesperia's long-term and short-term diversion goals and objectives, including compliance with state mandates.

Since 2007, the City has received a variety of CalRecycle grant awards totaling approximately \$1,580,000 to assist in funding for Tire Amnesty events, Tire Cleanup activities, Rubberized Pavement Grants and the SB 1383 Local Assistance Grant Program.

ISSUES/ANALYSIS

The City of Hesperia is eligible to apply for grant funding to continue these beneficial and impactful grant programs.

CalRecycle's requirements for grant applications require that the City Council adopt a resolution with a maximum duration of five years from the date of adoption. The resolution authorizes the submittal for all grant programs provided by CalRecycle and allows the City Manager or designee to execute all related grant and payment documentation. The current resolution is set to expire on February 21, 2027.

CalRecycle has allocated \$1,500,000 for the Local Government Waste Tire Cleanup Grant Program in Fiscal Year 2026-27, for collection, removal, transportation, recycling and disposing of California waste tires from tire piles and illegal dumping areas. Under the current resolution, the City has applied for the grant with a request for \$74,000 in funding to offset the costs of

approximately 5,800 tires anticipated to be illegally dumped during the grant term. If awarded the grant term could begin in October 2026 and end by October 2028.

Approval of this resolution will allow the City to continue applying for future CalRecycle grant opportunities to support regulatory compliance efforts and submit the required documentation to obtain reimbursement for expenditures.

CITY GOAL SUPPORTED BY THIS ITEM

Public Safety – Ensure public safety resources adequately protect our community.

Financial Health- Maintain a balanced budget and adequate reserves.

RESOLUTION NO. 2026-037

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HESPERIA, CALIFORNIA, AUTHORIZING SUBMITTAL OF APPLICATIONS FOR ALL DEPARTMENT OF RESOURCES RECYCLING AND RECOVERY (CALRECYCLE) GRANTS FOR WHICH THE CITY OF HESPERIA IS ELIGIBLE.

WHEREAS, Public Resources Code (PRC) Sections 40000 et seq. authorizes the Department of Resources Recycling and Recovery (CalRecycle) to administer various Grant Programs (grants) in furtherance of the State of California's (State) efforts to reduce, recycle, and reuse solid waste generated in the State thereby preserving landfill capacity and protecting public health and safety and the environment; and

WHEREAS, in furtherance of this authority CalRecycle is required to establish procedures governing the application, awarding, and management of the grants; and

WHEREAS, CalRecycle grant application procedures require, among other things, an applicant's governing body to declare by resolution certain authorizations related to the administration of CalRecycle grants.

NOW THEREFORE, BE IT RESOLVED BY THE CITY OF HESPERIA CITY COUNCIL AS FOLLOWS:

- Section 1. That the City of Hesperia authorizes the submittal of applications to CalRecycle for all grants for which the City of Hesperia is eligible.
- Section 2. That the City Manager of the City of Hesperia, or his/her designee, is hereby authorized and empowered to execute in the name of the City of Hesperia all grant documents, including but not limited to, applications, agreements, amendments, and requests for payment, necessary to secure grant funds to implement the approved grant projects.
- Section 3. That these authorizations are effective for five (5) years from the date of adoption of this resolution.

TO: Mayor and Council Members
Chair and Board Members, Hesperia Water District

FROM: Rachel Molina, City Manager

BY: Orlando Acevedo, Director of Development Services
Jacquelyn Castillo, Management Analyst

SUBJECT: Contract Amendment for Uniform Services

RECOMMENDED ACTION

It is recommended that the City Council and Board of Directors of the Hesperia Water District (District) authorize the City Manager to amend the current contract with Mission Linen Supply to extend the contract expiration date for an additional one-year term and increase the contract authority by \$34,000 for a new not-to-exceed amount of \$141,146 for uniform rental and laundering services.

BACKGROUND

The City and District use a uniform services provider to supply uniform rental and laundering services for various departments whose staff regularly perform duties outside of City facilities. These services support a professional and consistent appearance for employees while serving the community.

On November 1, 2022, following a Request for Bids (RFB) process, the City Council and Board of Directors authorized a two-year agreement with Mission Linen Supply. On August 6, 2024, a one-year extension was approved, extending the contract term through October 31, 2025. On September 16, 2025, an additional one-year extension was approved, extending the contract term through October 31, 2026. The current agreement is set to expire on October 31, 2026.

ISSUES/ANALYSIS

City staff have engaged with Mission Linen Supply regarding the continuation of services. The vendor has agreed to extend the current contract for an additional one-year term with no increase in pricing.

Maintaining the current rates provides cost stability and avoids additional expenditures that could result from market adjustments or inflationary pressures. Additionally, continuing with the existing provider avoids the administrative and operational impacts associated with transitioning to a new vendor, including conducting a formal procurement process, coordinating uniform returns and reissuance, employee fittings, and updating locker assignments. Based on historical expenditure trends and current purchase order totals, staff estimates that an additional \$34,000 in contract authority will be sufficient to support services through the proposed extension term.

Given the vendor's willingness to hold pricing, the efficiencies gained by maintaining continuity of service, and the need for additional contract authority to support ongoing services, staff recommends approval of the one-year contract extension and contract authority increase.

CITY GOAL SUPPORTED BY THIS ITEM

Financial Health- Maintain a balanced budget and adequate reserves.

FISCAL IMPACT

Sufficient funding is included for the various departments in the Fiscal Year 2026-27 Budget. No increase in service rates is associated with this extension.

SUBJECT: Special Assessment of Unpaid Fees for Services and Abatement Costs

RECOMMENDED ACTION

It is recommended that the City Council approve Joint Resolution No. 2026-27 and Resolution No. HWD 2026-08, confirming parcels of land upon which unpaid fees for services, and abatement costs remain, and Joint Resolution No. 2026-28 and Resolution No. HWD 2026-09, requesting that San Bernardino County place the unpaid fees for services and abatement costs on the property tax rolls.

BACKGROUND

Section 1.12.270 of the Hesperia Municipal Code (HMC), administrative proceedings, establishes the imposition of fines related to public nuisance violations. Section 14.02.080 (O)(7) establishes the procedure for Water District fees, delinquent charges, administrative costs, and fines to be placed as liens upon properties, with subsequent collection via the property tax rolls. Section 8.04.070(F) establishes the procedure for the placement of delinquent fees, fines, and charges due to the City's Franchise Waste Hauler as liens on properties, with subsequent collection via the property tax rolls.

Hesperia Municipal Code (HMC) Section 1.12.370 B1 authorizes the use of the special assessment for abatement cost for public nuisance violations that are unpaid at the end of the year. Abatement costs are only assessed after the property owner, or responsible person, has failed to comply with a Notice of Violation, and then issued a Notice of Public Nuisance and subsequent Administrative Citations, or through staff time accrued during the abatement of a property.

On July 3, 2002, the City Council adopted Resolution 2002-42, adopting an administrative fine schedule. Since the intent of Code Compliance is to gain voluntary compliance, should a property remain out of compliance and require several notices, this option allows the City to gain compliance through abatement and follow with the collection of unpaid fees.

ISSUES/ANALYSIS

There are 1,063 separate properties that have accumulated delinquent Hesperia Water District water and/or sewer fees for an approximate total of \$850,864.

Additionally, the City provides assistance to Advance Disposal to assess unpaid trash bills through the special assessment process. There are 988 separate properties which have unpaid trash bills that Advance Disposal wishes to pursue through the property tax assessment process. The total Advance Disposal lien amount is \$784,169, of which the City will retain \$46,436 as reimbursement for administrative costs, including staff time, lien processing, and related administrative activities associated with the special assessment process.

The fine totals are approximate as payments can be made through August 3, 2026, which will reduce the total amount sent to the County as special assessments. Staff have invoiced all property owners (in addition to monthly invoices during the year) during July 2026, allowing owners the opportunity to pay abatement and administrative costs directly to the City and avoid placement on the property tax rolls. Any remaining parcels are included in the resolution for collection by the County Auditor-Controller/Recorder. Any fees paid prior to submittal to the County in August will be removed from the exhibit.

CITY GOAL SUPPORTED BY THIS ITEM

Financial Health - Maintain a balanced budget and adequate reserves

FISCAL IMPACT

The Advance Disposal delinquent account program will generate \$46,436 in administrative reimbursement to the City for lien processing, staff time, and related administrative costs. These funds offset City expenses associated with administering the special assessment process.

Hesperia Water District delinquent utility accounts total approximately \$850,864 and will be placed on the County property tax rolls for collection. Based on historical performance, staff estimates 80–85% will be collected in the first year and approximately 97% by year three, with remaining balances collected in subsequent tax cycles through the County.

City of Hesperia STAFF REPORT

DATE: July 21, 2026
TO: Mayor and City Council Members
FROM: Rachel Molina, City Manager
BY: Casey Brooksher, Assistant City Manager
Pam Lee, City Attorney
SUBJECT: Ballot Measure for Transactions and Use Tax Ordinance

RECOMMENDED ACTION

Discuss and determine whether to place a measure on the November 3, 2026 ballot to provide voters the option of enacting a secure, locally controlled general fund revenue source. The measure for consideration would establish a local City sales tax of 1.0% and provide an estimated \$15,000,000 annually to maintain essential City services for residents and businesses, including paving and maintaining streets, fixing potholes, installing storm drains and related flood control infrastructure, repairing or replacing aging City infrastructure, keeping streets and public facilities safe, clean, and well-maintained, crime prevention, and 911 emergency response.

If approved, take the following actions:

1. Adopt Resolution 2026-32 to approve the following:
 - a. Call for the placement of a General Tax Measure on the ballot for the consolidated General Municipal Election to be held on November 3, 2026, for submission to the qualified voters the "City of Hesperia Public Safety/City Services Measure," which enacts the "City of Hesperia Transactions and Use Tax Ordinance" that establishes a general-purpose one percent (1%) retail transactions and use tax measure, subject to majority voter approval; and
 - b. Provide and set the rules for the filing of arguments for and against the measure and rebuttal arguments; and
 - c. Direct the City Attorney to prepare the impartial analysis of the ballot measure; and
 - d. Provide for other election matters as required by law.
2. Conduct first reading of Ordinance No. 2026-01 to be submitted to the City's voters entitled, "AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF HESPERIA, CALIFORNIA, IMPOSING A ONE PERCENT (1%) TRANSACTIONS AND USE TAX FOR GENERAL GOVERNMENTAL USE TO BE ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION," reading by title only and waiving further reading; and
3. Authorize the City Manager to execute all the necessary documents on behalf of the City.

BACKGROUND

Increasingly, the State of California has shifted responsibility for many programs and services back to local cities without the local funds necessary to comply with those new mandates or provide services for local residents. Like many other California cities, Hesperia requires additional funding to address our community's priorities at the levels the public has expressed.

The City Council annually outlines its fiscal policy in the adoption of the City's budget. The City of Hesperia maintains the practice of matching each revenue type to a similar expenditure type. The City accomplishes this through utilizing individual program types within funds. The two basic revenue types are ongoing and one-time. City policy and practice is to have a 'structurally' balanced budget, not using one-time revenue (i.e., bond proceeds, etc.) to pay for ongoing expenditures.

In addition to managing expenditures responsibly, the City consistently pursued opportunities to strengthen General Fund revenues to promote long-term fiscal sustainability and maintain the level of municipal services the community desires. While a sales tax initiative is being considered, it is one component of a broader fiscal strategy.

During the early 2000s, the City negotiated with the County of San Bernardino for a property tax enhancement along the freeway corridor. This enhancement raised the City's share from 1.59% to 7%, while reducing the County's share, with no impact on the property owner. This enhancement increased the City revenues without increasing the property taxes paid by owners.

Then in 2018, the City negotiated an additional citywide property tax share of 1.5%, bringing the citywide total, exclusive of the freeway corridor, to 3%, with the County of San Bernardino annexation of the former Hesperia Fire Protection District; this will go into effect after the final pension obligations of the former Hesperia Fire Protection District have been realized.

In 2021, the City completed a fiscal impact analysis that identified an annual General Fund impact of up to \$144 per new residential unit. In response, the City implemented the following community facility districts:

- CFD 2021-10 – Residential Projects
 - \$840.35 Per Door (Developments of Four or More Units)
- CFD 2022-01 – Industrial Projects
 - \$0.15 per Building Square Foot
- CFD 2023-01 – Silverwood
 - \$400 per Single Family Residential (SFR) Unit & \$200 from BOLD Bond Savings for per SFR

During the September 19, 2023, City Council meeting, the City Council received information on options available to increase General Fund revenue, including potentially implementing a Transactions and Use Tax (sales tax). During this discussion, it was determined to review the citywide fee schedule to ensure all costs were reasonably captured. The citywide fee schedule was completed and adopted in December 2023 and is subsequently reviewed by the City Council annually to reflect inflationary increases.

During the August 12, 2025, City Council meeting, staff presented the City Council with updated information regarding General Fund revenue options to increase general fund revenue, including adoption of a Transactions and Use Tax for enhanced services such as roadway and drainage improvement, as well as increasing law enforcement services. At this meeting, the City Council directed staff to initiate a formal community engagement process regarding a potential Transactions and Use Tax.

On December, 16, 2025, the City Council approved an agreement with TeamCivX to conduct an opinion poll and provide outreach consulting services associated with a potential sales tax initiative/Transactions and Use Tax. During the March 17, 2026 City Council meeting, the City's consultant presented polling results on community sentiment regarding a potential sales tax initiative/Transaction and Use Tax, showing majority support for such a measure.

General Fund Overview: General Fund revenue is for normal operations and services provided by the City that are not specifically accounted for in other funds. The general fund's major revenue sources are Sales and Use Tax, Vehicle License Fees (VLF), Franchise Fees, and General and Administrative Recovery. Combined, these four revenues represent a very stable revenue base for the general fund, as they accounted for 65.9% of the 2023-24 Actual and 69.2% of the 2026-27 Budget. From the FY 2023-24 Actual to the 2026-27 Budget, the four major revenue sources have grown by approximately \$5.0 million, or 14.5%.

General Fund Forecast: Despite the growth in the City's revenues indicated above, these gains are being offset by rising operational costs for services, materials, and labor, as well as increased inflation. This trend affects the City's ability to provide essential services to the community. Consequently, operational costs will "crowd out" capital investments and other strategic opportunities. To ensure future financial stability, City expenditures should align with ongoing revenues as much as possible. Should the City remain in status quo, it will become more difficult to protect the City's valued quality-of-life programs and maintain vital services, including repairing or replacing aging City infrastructure, keeping streets and public facilities safe, clean, and well-maintained, and prioritizing public safety. To address higher costs, the City Council will be required to prioritize the mandatory services needed to operate the City and may have to drastically reduce, eliminate, or choose among essential functions and services.

ISSUES/ANALYSIS

Community Engagement: In connection with efforts to gauge the options available to the City to increase revenue, the City engaged a consultant to conduct an extensive, objective, and statistically reliable survey of Hesperia residents to understand their priorities, preferences, and satisfaction related to city services and facilities; measuring community interest in additional funding for city services and facilities, and gathering data on a variety of quality-of-life, issue, and policy-related matters. Those findings were presented to the City Council on March 17, 2026. In short, the consultant found, through sample polling of registered voters, a majority favored implementing a Transactions and Use Tax to increase City revenue and fund City services.

Sales Tax and Transactions and Use Tax Overview: The California Department of Tax and Fee Administration (CDTFA) collects sales and use tax from local retailers selling tangible personal property or from users of tangible personal property purchased from retailers outside the State of California. The base statewide sales tax is 7.25%. California cities currently receive 1.0% of the total sales tax rate within their jurisdiction, which is known as the Bradley Burns Uniform Local Sales and Use Tax. State law authorizes city and county residents to adopt local Transactions and Use Taxes ("TUT") in addition to the Bradley Burns tax.

The current sales tax is 7.75% in the City of Hesperia. Of the total sales tax collected, the City receives 1.0% (Bradley Burns tax), 6.00% goes to the State, and the remaining 0.75% goes to San Bernardino County (0.50% for Measure I and 0.25% for local transportation funding). The

City may adopt a TUT to provide a general fund revenue source that remains wholly within the City. By adopting a TUT of 1.0%, the total sales tax within the City would rise to 8.75%.

Comparison of Local Sales Tax Rates: Of the 25 cities in San Bernardino County, 12 have adopted a TUT. The table below shows a breakdown of the cities and their associated tax rate:

Cities	Tax Rate
Montclair	9.00%
Apple Valley, Barstow, Chino, Colton, Fontana, Ontario, Redlands, San Bernardino, Victorville, Yucaipa, Yucca Valley	8.75%
Adelanto, Big Bear Lake, Chino Hills, Grand Terrace, Hesperia, Highland, Loma Linda, Needles, Rancho Cucamonga, Rialto, Twentynine Palms, Upland	7.75%

Transactions and Use Tax: TUTs can be added to the base sales tax if approved by local voters. Per Proposition 13, a General Tax TUT may be used towards any general fund expenditure and requires approval by a simple majority or 50% + 1 of the City's voters. Per Proposition 13, a Special Tax TUT must be allocated to a designated use and requires approval by two-thirds or 66.7% of the City's voters.

According to the City's sales tax consultant, HdL Companies, a one-cent (1.0%) TUT would add approximately \$15,000,000 in general fund revenues each year to support Hesperia and its services. The TUT excludes groceries, medical and dental services, real estate, rent, utilities, education, personal services, and labor. Furthermore, these new revenues are locally controlled to benefit Hesperia residents. They cannot be taken by the State or the County.

The resulting benefit of a TUT to the residents and businesses of Hesperia would be maintaining essential City services, while investing in important infrastructure projects that would otherwise be deferred due to the lack of funding, such as paving and maintaining streets, fixing potholes, installing storm drains and related flood control infrastructure, repairing or replacing aging City infrastructure, keeping streets and public facilities safe, clean, and well-maintained, crime prevention, and 911 emergency response.

NEXT STEPS

To provide Hesperia voters the option of approving a 1.0% sales tax increase to fund essential City services, the Hesperia City Council would need to adopt Resolution No. 2026-32 that calls for the placement of a General Tax Measure on the ballot for the consolidated General Municipal Election to be held on November 3, 2026. The resolution also introduces Ordinance No. 2026-01, enacting the 1.0% TUT, subject to voter approval at the election. Furthermore, the resolution directs the City Attorney to prepare an impartial analysis of the measure and authorizes the City Council to prepare an argument in favor of the measure and, if required, a rebuttal to an argument filed against it.

A two-thirds vote of all members of the City Council (four of the five council members) will be required to adopt Resolution No. 2026-32 and introduce Ordinance No. 2026-01 to submit the proposed sales tax ordinance to the voters. It requires a majority (50% + 1) of votes cast to approve the measure.

Approval of the resolution does not constitute the City Council's endorsement of the proposed sales tax. Rather, it authorizes the measure to be placed before the voters for their consideration and ultimate decision.

The Hesperia City Council requests the following question be submitted to the voters of the City of Hesperia at the General Municipal Election to be held on November 3, 2026:

“City of Hesperia Public Safety/City Services Measure To provide funding for Hesperia city services, such as paving and maintaining streets; fixing potholes; keeping streets and public facilities safe, clean, and well-maintained; installing stormdrains/flood control; repairing or replacing aging infrastructure; crime prevention; and 911 emergency response; shall City of Hesperia's ordinance establishing a one cent (1%) sales tax be adopted, providing approximately 15 million dollars annually for city services until ended by voters, with independent audits, citizen oversight, and all money locally controlled?”	YES NO

CITY GOAL SUPPORTED BY THIS ITEM

Public Safety – Ensure public safety resources adequately protect our community.

Financial Health – Maintain a balanced budget and adequate reserves.

Capital Improvement – Continually evaluate capital improvement priorities.

FISCAL IMPACT

Subject to approval by Hesperia voters on the November 3, 2026 General Municipal Election, a local transactions and use tax (sales tax) would take effect on or around April 2027. Based on estimates provided by the City's sales tax consultant, a 1.0% local sales tax would generate approximately \$15,000,000 annually in additional general fund revenues.

Under Revenue and Taxation Code 7272, the California Department of Tax and Fee Administration (CDTFA) will assess the City charges to administer the new local sales tax, with a statutory maximum not to exceed \$175,000.

RESOLUTION NO. 2026-32

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HESPERIA, CALIFORNIA, CALLING FOR THE PLACEMENT OF A GENERAL TAX MEASURE ON THE BALLOT FOR THE GENERAL MUNICIPAL ELECTION TO BE HELD ON NOVEMBER 3, 2026 FOR THE SUBMISSION TO THE QUALIFIED VOTERS OF AN ORDINANCE TO ENACT A GENERAL TRANSACTIONS AND USE TAX AT A RATE OF ONE PERCENT (1.0%); (2) REQUESTING THE COUNTY OF SAN BERNARDINO TO CONSOLIDATE THE SUBMISSION OF THE MEASURE WITH THE GENERAL ELECTION TO BE HELD ON NOVEMBER 3, 2026; (3) PROVIDING FOR THE FILING OF PRIMARY AND REBUTTAL ARGUMENTS AND SETTING RULES FOR THE FILING OF WRITTEN ARGUMENTS REGARDING A CITY MEASURE TO BE SUBMITTED AT THE NOVEMBER 3, 2026 GENERAL MUNICIPAL ELECTION; (4) DIRECTING THE CITY ATTORNEY TO PREPARE AN IMPARTIAL ANALYSIS OF THE MEASURE

Recitals

- A. On June 16, 2026, the City of Hesperia adopted Resolution No. 2026-23 calling for a General Municipal Election on November 3, 2026, for the purpose of electing council members as provided therein; and in connection therewith, the City Council adopted Resolution No. 2026-24 also on June 16, 2026 in order to consolidate the General Municipal Election with the statewide general election to be held on November 3, 2026 and requesting the County of San Bernardino County Clerk to administer the City's General Municipal Election; and
- B. The City is authorized to levy a Transactions and Use Tax ("TUT") for general purposes pursuant to California Revenue and Taxation Code section 7285.9, subject to approval by a majority vote of the electorate pursuant to Article XIII C, section 2 of the California Constitution ("Proposition 218"); and
- C. Pursuant to California Elections Code section 9222, the City Council has authority to place local measures on the ballot to be considered at a municipal election; and
- D. The Hesperia City Council desires to submit to the voters at the General Municipal Election a measure establishing the rate of the TUT of one cent (1¢) on the sale and/or use of all tangible personal property sold at retail in the City until it is repealed by voters, as more specifically set forth in the attached proposed ordinance adding Chapter 3.17 to Title 3 of the City's Municipal Code; and;
- E. The one cent (1¢) TUT is a general tax, the revenue of which will be placed in the City's general fund and will be used to pay for general City services; and

- F. The City of Hesperia has experienced unprecedented damage to existing storm, flood control, and street infrastructure in the past several years due to numerous storm events; and
- G. The City lacks substantial ongoing revenues and capital reserves to fund major repairs to its existing storm, flood control, and street infrastructure and has several unfunded projects related to unbuilt storm, flood control, and street infrastructure; and
- H. The City is committed to maintaining and enhancing City services for the benefit of Hesperia residents and businesses, including paving and maintaining streets, fixing potholes, installing storm drains and related flood control infrastructure, repairing or replacing aging City infrastructure, keeping streets and public facilities safe, clean, and well-maintained, crime prevention, and 911 emergency response; and
- I. The City's general services, such as those above, may face cuts due to projected budget deficits attributable to rising operational costs for services, materials, and labor, as well as increased inflation; and
- J. The projected \$15,000,000 annual revenue from the proposed 1¢ sales tax measure could provide locally controlled funding to support maintaining and enhancing general City services, such as storm, flood control, and street infrastructure and public safety, as well as mitigate any future projected budget deficits; and
- K. The proposed measure incorporates transparency and accountability provisions for audits and public spending disclosure, with all funds used locally; and
- L. On November 6, 1996, the voters of the State of California approved Proposition 218, an amendment to the State Constitution which requires that all general taxes which are imposed, extended or increased must be submitted to the electorate and approved by a majority vote of the qualified electors voting in the election; and
- M. Pursuant to Proposition 218, the general rule is that any local election for the approval of an increase to a general tax must be consolidated with a regularly scheduled general election for members of the governing body of the local government; and
- N. The next regularly scheduled general election at which City Council members will be elected is November 3, 2026; and
- O. Pursuant to Government Code section 53724 and Revenue and Taxation Code section 7285.9, a two-thirds (2/3) vote of all members of the City Council is required to place the Measure on the November 3, 2026 ballot; and
- P. The sales tax measure proposed by this Resolution is intended to ensure that the City retains local control over local taxpayer dollars to be spent on City services and for the City to be self-reliant in the case of an emergency; and
- Q. The City Council finds that preserving local control is important because the City is directly accountable to local voters for the provision of City services and infrastructure,

and the City requires stable, locally controlled revenue to address structural deficits and maintain essential services; and

- R. A transactions and use tax does not apply to common essentials such as groceries, prescriptions, medical and dental services, real estate, rent, utilities, education, personal services, and labor; and
- S. That transactions and use tax would be levied in addition to, and would be collected at the same time and in the same manner as, the Uniform Local Sales and Use Tax of the City of Hesperia (Hesperia Muni. Code, Ch. 3.16); and
- T. Levying a one cent (1¢) transactions and use tax would not cause the overall transactions and use tax in the City to exceed two percent as required by Revenue and Taxation Code section 7251 et seq.; and
- U. As part of the General Municipal Election on November 3, 2026, the City Council therefore desires to submit to the voters ballot measure (hereinafter the "Measure") to adopt an ordinance, which is concurrently approved (hereinafter, "the Ordinance") imposing a one cent (1¢) transactions and use tax as a general tax for general governmental purposes to be deposited into the City's general fund, to help maintain essential services, protect local control, and address the City's financial condition, and establishing an oversight commission to review expenditures and ensure the City is operating in an efficient manner (a true and correct copy of the Ordinance is attached to this Resolution as Exhibit "A"); and
- V. The City Council also wishes to (i) establish deadlines and rules for the submission of written arguments and rebuttals for and against the Measure in accordance with applicable Elections Code procedures; (ii) direct the timely preparation of the City Attorney's impartial analysis; and (iii) provide such other direction to the City Manager and City Clerk as may be necessary to facilitate the placement of the Measure on the ballot at the General Municipal Election on November 3, 2026.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HESPERIA AS FOLLOWS:

SECTION 1. Recitals. The City Council of the City of Hesperia hereby finds and determines that the above recitals are true and correct and incorporated herein by this reference.

SECTION 2. Submission of Measure; Nature of Tax; Required Approval. Pursuant to California Elections Code section 9222, Government Code section 53724, Revenue and Taxation Code section 7285.9 and any other applicable requirements of the laws of the State of California relating to the City, the City Council, **by a two-thirds (2/3) vote of all members**, hereby orders the Measure to be submitted to the voters of the City at the General Municipal Election to be held on **November 3, 2026**. If approved by the voters, the new tax rate shall be implemented by the Ordinance. The transactions and use that is the subject of the Measure is and will remain a general tax within the meaning of Proposition 218 whose proceeds may be deposited in the City's general fund and used

SECTION 3. Ballot Question.

“City of Hesperia Public Safety/City Services Measure:	
To provide funding for Hesperia city services, such as paving and maintaining streets; fixing potholes; keeping streets and public facilities safe, clean, and well-maintained; installing stormdrains/flood control; repairing or replacing aging infrastructure; crime prevention; and 911 emergency response; shall City of Hesperia’s ordinance establishing a one cent (1%) sales tax be adopted, providing approximately 15 million dollars annually for city services until ended by voters, with independent audits, citizen oversight, and all money locally controlled?”	YES

along with the ballot measure as provided by law. The Impartial Analysis shall be filed no later than August 17, 2026 by 5:00 p.m. In the event the entire text of the measure is not printed on the ballot, there shall be printed immediately below the impartial analysis, in no less than 10-font bold type, the following: "The above statement is an impartial analysis of Ordinance or Measure. If you desire a copy of the ordinance or measure, please call the election official's office at 760-947-1026 and a copy will be mailed at no cost to you."

B. Primary Arguments.

1. The City Council acknowledges Elections Code Section 9282(b) and 9287 which provide as follows:

- a) When a measure is placed on the ballot by a legislative body, the legislative body, or a member or members of the legislative body authorized by that body, or an individual voter who is eligible to vote on the measure, or bona fide association of citizens, or a combination of voters and associations, may file a 300 word or less written argument in favor of the measure; and
- b) If more than one argument in favor of a measure is submitted, the City Clerk shall give preference and priority, in the order named, to the arguments submitted by the following person(s) and entities: (A) the legislative body, or member or members of the legislative body authorized by that body; (B) an individual voter, or bona fide association of citizens, or combination of a voter(s) and associations, who are the bona fide sponsors or proponents of the measure; (C) a bona fide associations of citizens; and (D) individual voters who are eligible to vote on the measure.

Provided such argument is submitted by or before the deadline for submitting ballot arguments, the City Council, by motion, reserves the right to designate and delegate one or more of its members to author an argument in favor of the City's measure and recognition of Elections Code Section 9283, which limits the number of signatories to the argument to five, prescribe a process or criteria for determining who should be selected to sign.

2. Arguments against the proposed ballot measure, if any, shall also be subject to the provisions of Elections Code 9282 and 9287.

3. The deadline date and time for submitting arguments for or against the measure to the City Clerk is August 17, 2026 by noon., after which time no arguments for or against the measure will be accepted. Arguments for or against the measure **may not exceed 300 words in length**. Each argument shall be filed with the City Clerk, signed, and include the printed name(s) and signature(s) of the author(s) submitting it, or if submitted on behalf of an organization, the name of the organization, and the printed name and signature of at least one of its principal officers who is the author of the argument.

4. The City Clerk shall comply with all provisions of law establishing priority of arguments for printing and distribution to the voters, and shall take all necessary actions to cause the selected arguments to be printed and distributed to the voters.

C. Rebuttal Arguments.

1. Pursuant to Elections Code Sections 9285 and 9287, when the City Clerk selects the arguments for and against the City-initiated measure to be printed and distributed to the voters, the City Clerk will send a copy of the argument in favor of the measure to the authors of the argument against the measure, and a copy of the argument against to the authors of the argument in favor of the measure.

2. The authors of the respective arguments for and against the measure or persons designated by them may then prepare and submit rebuttal arguments not exceeding 250 words in length. The deadline for submitting rebuttal arguments to the City Clerk is August 21, 2026 by 5:00 p.m., after which time no rebuttal arguments will be accepted. Rebuttal arguments shall be printed in the same manner as the direct arguments. Each rebuttal argument shall immediately follow the direct argument which it seeks to rebut.

D. Other Materials. The City Clerk is authorized to prepare and include such other information and notices as may be required by the Elections Code and as the City Clerk determines to be appropriate for the conduct of the election.

SECTION 7. Notice. Notice of the election is hereby given and the City Clerk is authorized, instructed and directed to give further or additional notice of the election, in time, form and manner as required by law.

SECTION 8. Placement on Ballot. The full text of the Measure shall not be printed in the voter information guide. A statement shall be printed on the ballot pursuant to Elections Code section 9223 advising voters that they may obtain a copy of this Resolution and the Measure, at no cost, upon request made to the City Clerk.

SECTION 9. Filing with County. The City Clerk shall, not later than the 88th day prior to the General Municipal Election to be held on Tuesday, November 3, 2026, file with the Board of Supervisors and the Registrar of Voters of the County of San Bernardino, State of California, a certified copy of this Resolution.

SECTION 10. Public Examination. Pursuant to Elections Code section 9295, this Measure will be available for public examination for no fewer than ten (10) calendar days prior to being submitted for printing in the voter information guide. The City Clerk shall post notice in the Clerk's office of the specific dates that the examination period will run.

SECTION 11. CEQA. The City Council hereby finds and determines that the Measure is not a "project" subject to the requirements of the California Environmental Quality Act ("CEQA") (Public Resources Code Section §§ 21000 et seq.) as it relates to

organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.

SECTION 12. Further Authorization. That the City Clerk and City Manager and their designees are hereby authorized to take all actions as necessary to effectuate the purposes of this resolution and the election.

SECTION 13. Severability. The provisions of this Resolution are severable and if any provision of this Resolution is held invalid, that provision shall be severed from the Resolution and the remainder of this Resolution shall continue in full force and effect, and not be affected by such invalidity.

SECTION 14. Effective Date. This Resolution shall be effective immediately upon passage and adoption.

SECTION 15. Certification. The City Clerk shall certify to the adoption of this Resolution.

ORDINANCE NO. 2026-01

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF HESPERIA, CALIFORNIA, IMPOSING A ONE PERCENT TRANSACTIONS AND USE TAX FOR GENERAL GOVERNMENTAL USE TO BE ADMINISTERED BY THE CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION

WHEREAS, pursuant to California Revenue and Taxation Code section 7285.9 the City of Hesperia ("City") is authorized to levy a Transactions and Use Tax for general purposes, subject to majority voter approval; and

WHEREAS in order for the City to maintain essential City services for residents and businesses, including paving and maintaining streets, fixing potholes, installing storm drains and related flood control infrastructure, repairing or replacing aging City infrastructure, keeping streets and public facilities safe, clean, and well-maintained, crime prevention, and 911 emergency response, it is critically important that the City have a new, long-term, source of funds for its general fund; and

WHEREAS a transactions and use tax for general purposes would provide such a source of funds; and

WHEREAS, the People of the City desire to add Chapter 3.17 to Title 3 of the Hesperia Municipal Code establishing a general Transactions and Use Tax ("TUT") until ended by voters, on the sale and/or use of all tangible personal property sold at retail in the City, at a rate of one percent (1.0%).

NOW, THEREFORE, THE PEOPLE AND THE CITY COUNCIL OF THE CITY OF HESPERIA, CALIFORNIA, DO HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Chapter 3.17 is hereby added to Title 3 of the Hesperia Municipal Code to read as follows:

Chapter 3.17 – Transactions and Use Tax

3.17.010 – Title

This ordinance shall be known as the "Hesperia Transactions and Use Tax Ordinance." The City of Hesperia shall be hereinafter referred to as the "City." This ordinance shall apply in the incorporated territory of the City.

3.17.020 – Operative Date

"Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance.

3.17.030 – Purpose

This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2, which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.
- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

3.17.040 – Contract with State

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.17.050 – Transactions Tax Rate

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 1.0% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this

ordinance.

3.17.060 – Place of Sale

For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.17.070 – Use Tax Rate

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 1.0% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.17.080 – Adoption of Provisions of State Law

Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

3.17.090 – Limitations on Adoption of State Law and Collection of Use Taxes

- A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefore. However, the substitution shall not be made when:
1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California.
 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration,

in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
 - a) Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
 - b) Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.
 - c) In reference to Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.
- B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.
 1. "A retailer engaged in business in the City" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

3.17.100 – Permit Not Required

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

3.17.110 – Exemptions and Exclusions

- A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

- B. There are exempted from the computation of the amount of transactions tax the gross receipts from:
1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.
 2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his or her agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:
 - a) With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and
 - b) With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
 3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.
 4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.
 5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.
4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.
5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.
7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

- D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for, a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.17.120 – Term

The tax imposed by this ordinance shall be effective until terminated or otherwise altered by a majority of the City's voters.

3.17.130 – Amendments

All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

3.17.140 – Audit and Review

The proceeds of the tax imposed by this ordinance, as well as the expenditure thereof, shall be audited annually by an independent accounting firm. The City Council shall discuss the results of such audit at a meeting of the City Council that is open to the public. The report of such audit shall be posted on the City's website.

3.17.150 – Enjoining Collection Forbidden

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

3.17.170 – Severability

If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the remainder of the chapter and the application of such provision to other persons or circumstances shall not be affected thereby."

SECTION 2. CEQA. The adoption of this Ordinance is exempt from the California Environmental Quality Act (CEQA), Public Resources Code section 21000 *et seq.* and California Code of Regulations, title 14, section 15000 *et seq.* (CEQA Guidelines). The

general transactions and use tax this Ordinance adopts is a government funding mechanism that does not “involve any commitment to any specific project which may result in a potentially significant physical impact on the environment,” and thus it is not a project under CEQA Guidelines section 15378(b)(4).

SECTION 3. Severability. If any sections, subsections, subdivisions, paragraph, sentence, clause or phrase of this Ordinance or any part hereof or exhibit hereto is for any reason held to be invalid, such invalidity shall not affect the validity of the remaining portions of this Ordinance or any part thereof or exhibit thereto. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespective of the fact that anyone or more sections, subsections, subdivisions, paragraph, sentences, clauses or phrases be declared invalid.

SECTION 4. Approval by the Voters. Pursuant to California Elections Code section 9217, this Ordinance shall be deemed adopted and take effect only if approved by a majority (50% + 1) of the eligible voters of the City of Hesperia voting at the General Municipal Election of November 3, 2026. It shall be deemed adopted when the City Council has certified the results of that election by resolution and shall take effect ten (10) days thereafter.

SECTION 5. Operative Date. “Operative Date” for the Transactions and Use Tax means the first day of the first calendar quarter commencing more than 110 days after the date this Ordinance is adopted, as set forth in Section 4 above.
