

Attachment 2

Exhibit A: Title 1 Chapter 1.12.130(16)(d) – Special Enforcement Procedures - Multiple Response - Fireworks

d. Fireworks. The possession and usage of fireworks requires police and city department response and reduces manpower availability, in addition to creating an unsafe situation and threatening public safety and so shall be considered a disturbance and subject to police multiple response fees.

Responses related to fireworks shall be subject to fees established by resolution of the Hesperia City Council. the following schedule of fees: First Response – \$150.00; Second Response – \$500.00; Third Response – \$1,000.00; Fourth and all subsequent responses – \$2,500.00. Additionally, at the discretion of the Police Captain or their designee, any response shall also incur actual costs.

Response for fireworks shall be subject to the probation requirements as required by this chapter for multiple responses.
