**NOW THEREFORE, BE IT RESOLVED BY THE CITY OF HESPERIA PLANNING COMMISSION AS FOLLOWS:**

Section 1. The Planning Commission hereby specifically finds that all of the facts set forth in this Resolution are true and correct.

Section 2. Based upon substantial evidence presented to the Planning Commission during the above-referenced June 27, 2017 hearing, including public testimony and written and oral staff reports, this Commission specifically finds as follows:

- (a) Based upon Negative Declaration ND16-00013 and the initial study which supports the Mitigated Negative Declaration, the Planning Commission finds that there is no substantial evidence that the proposed General Plan Amendment will have a significant effect on the environment;
- (b) The Planning Commission has independently reviewed and analyzed the Negative Declaration, and finds that it reflects the independent judgement of the Commission, and that there is no substantial evidence, in light of the whole record, that the project may have a significant effect on the environment.
- (c) The area of the proposed General Plan Amendment is suitable for the land uses permitted within the proposed Land Use designation. The proposed General Commercial (C2) designation is appropriate at this location as the site is located at a prominent intersection and fronts Ranchero Road, which is designed to link local traffic with Interstate 15. The proposed commercial uses will serve pass-by traffic along Seventh Avenue and Ranchero Road and are considered appropriate land uses.
- (d) The proposed General Plan Amendment is consistent with the goals, policies, standards and maps of the adopted Zoning, Development Code and all applicable codes and ordinances adopted by the City of Hesperia.
- (e) The proposed General Plan Amendment is capable of utilizing existing supporting infrastructure and municipal services, as directed by the City's adopted General Plan.
- (f) The development within the proposed General Plan Amendment is consistent with the goals and policies of the General Plan, specifically Land Use Goal L.G.10 that promotes policies that will ensure maximum utilization of existing facilities and infrastructure within the City because the proposed development will utilize the streets and services available to existing development in the area.

Section 3. Based on the findings and conclusions set forth in this Resolution, the Planning Commission hereby recommends that the City Council adopt General Plan Amendment GPA16-00002, amending the General Plan map of the City of Hesperia as shown on Exhibit "A," and Negative Declaration ND16-00013, which is attached to the staff report for this item.

Section 4. That the Secretary shall certify to the adoption of this Resolution.

**ADOPTED AND APPROVED** this 27<sup>th</sup> day of June 2017.
