Exhibit C

1.04.050 - Definitions.

A. Definitions. As used in this code:

"Body art facility" means the specified building, section of a building or vehicle in which a practitioner performs, or demonstrates for the purpose of instruction, body art, including reception areas, the procedure area, and the decontamination and sterilization area. "Body art facility" does not include a facility that only pierces the ear with a disposable, single-use, pre-sterilized clasp and stud or solid needle that is applied using a mechanical device to force the needle or stud through the ear.

"Gambling" means staking or risking something of value upon the outcome of a contest of chance or a future contingent event not under a person's control or influence, upon an agreement or understanding that the individual or someone else will receive something of value in the event of a certain outcome.

"Gambling Device" means an instrumentality, contrivance, or apparatus reasonably designed and intended for the playing of a game for a reward of money or something of value for the player in which chance is a substantial factor.

"Person" means and includes any individual, firm, association, organization, partnership, business trust, corporation or company, and any municipal, political or governmental corporation, district, body or agency other than the city.
