Legislation Text

File #: 17-0174, **Version:** 1

Recommended Action:

It is recommended that the City Council (1) hold a public hearing to accept public testimony regarding the composition of districts to transition the City from an at-large election system to a by-district election system, and (2) review proposed district maps and proposed election sequencing. This is the second of at least two public hearings at which draft maps will be accepted and considered. No final action will be taken until the public hearing process is complete.
